Natural cosmetics

Face Cream

The all-rounder for every skin type. High-quality, natural ingredients such as shea butter, almond and argan oil pamper and nourish the skin and make it soft and smooth again. The cream is quickly absorbed and is free from colorants, preservatives and synthetic fragrances. Vegan!

Body Lotion

A high-quality mix of naturally pure almond and argan oil intensively nourishes the skin and makes it especially supple. Shea butter provides your skin with sufficient moisture. The silky texture is quickly absorbed without leaving a film on the skin. Natural cosmetics that are free of colorants, preservatives and synthetic fragrances. Vegan!

Body Oil

This pleasantly scented oil nourishes the skin with the concentrated nourishing power of lemon and orange oil. It provides the necessary protection for the skin and regenerates you. Natural cosmetics, which is free from colorants, preservatives and synthetic fragrances. Vegan!

Hair Oil

High quality argan oil, shea oil and jojoba oil repair split ends, make hair manageable and wonderfully smooth. The high-quality oils repair the hair from the inside out and provide it naturally with everything it needs. Suitable for all hair types. Natural cosmetics that are free from colorants, preservatives and synthetic fragrances. Vegan!

Shampoo

The moisturizing shampoo cleanses hair and scalp particularly gently thanks to mild, purely plant-based surfactants. Carefully selected ingredients, keep from drying out and give the hair a natural shine. Suitable for all hair types!

Hand & Body Wash

High-quality oils and plant extracts have a moisturising effect, cleanse gently and care for the hands. Suitable for all skin types and for daily use.

Liquid Soap

Argan oil and plant extracts have a moisturizing effect, gently cleanse and nourish hands. Natural cosmetics free of dyes, preservatives and synthetic fragrances.

Massage Oil

Massage oil based on nourishing oils such as lavender oil, calendula oil and shea oil. These oils have a relaxing effect and are also suitable as a body oil for sensitive and dry skin. Natural cosmetics free from dyes, preservatives and synthetic fragrances. Vegan!

Pure Shea Butter

Certified, unrefined and naturally pure shea butter from controlled organic cultivation, free of fragrances. Ideally suited full body care for all skin types. Natural cosmetics free from colorants, preservatives and fragrances. Vegan!

Teeth Whitening Powder

The teeth whitening powder provides already in the shortest time for naturally white teeth. Through the consumption of coffee, tea, red wine or tobacco often cause unsightly discoloration and deposits on the surface of the teeth, which give our smile a yellowish tinge. The black activated charcoal absorbs these discolorations and deposits and ensures for a significant whitening of the teeth. Vegan!

Facial Care

Clarifying Facial Cleansing

Pure cleansing and refreshing with a mild cleansing gel.

Helps control impurities and balances oil production. With natural fruit acids from grape seed oil.

Day & Night Skin Lotion

Supports natural skin functions, moisturizes and protects against free radicals. The natural fruit acids of grape seed oil improve skin texture.

Clarifying Skin Lotion

Specially developed, mild and refreshing skin lotion that gently cleanses the skin and reduces large pores.

Keeps skin functions in balance! Controls impurities and prevents excessive sebum production.

Blemish Balm

The antibacterial action effectively reduces pimples. The serum has an astringent, pore-refining and soothing effect on the skin.

Vegetable oils additionally support the natural protective function of the skin.

Eye Make-up Remover

For gentle cleansing of the eye area. Even water-insoluble ingredients are thoroughly removed.

Body Care

Body Cream

High-quality care and protection with beeswax. Has a moisturizing effect. The cream spreads well on the skin and is quickly absorbed. The skin feels smooth and supple again.

Hair & Body Mist

Refreshing hair and body spray for daily use. The spray is easy to apply and provides a pleasant scent experience.

Massage Lotion

The skin-friendly massage lotion with its high-quality oil concentration for an optimum and long-lasting.

Gliding behavior without film on the skin. Valuable ingredients such as vitamin E protect the skin from harmful from damaging environmental influences, moisturize the skin and can provide skin regeneration.

Body care

Hand & Nail Balm

High quality skin protection with beeswax has a skin nourishing and moisturizing effect. It spreads well on the skin and is quickly absorbed. Dry and chapped hands feel smooth and supple again.

Hand Peeling

Moisturizing hand scrub for thorough removal of dead skin cells. The scrub spreads well on the skin and is quickly absorbed. Dry hands feel soft and supple again.

Hand Refreshing Fluid

Has a refreshing and disinfecting effect. Ideal for on the go.

Nail Care Oil

The coordinated oils provide the skin with intensive moisture and give the nails suppleness and a natural shine. The oils contained nourish the nails and care for the cuticles, leaving them feeling supple and revitalized.

Alkaline Bath

Supports the acid-alkaline balance of the skin and detoxifies the body. Excellent for full, sitting and shower baths, as well as for foot and hand baths.

Foot Powder

Keeps feet dry, supple and odorless. Variable additives, determined by your preferred claim, have a disinfecting effect, cooling or optionally inhibiting mycoses.

Shower Gel Powder

Gently cleanses and moisturizes the skin, leaving it feeling soft and comfortable. The gentle active ingredients support the natural skin protection and help the body's own refatting. Mixing the powder with tap water creates a pleasantly creamy liquid product.

Hair styling

Gel Wax

Gel wax with UV protection and care. Non-greasy, for defining individual sections of hair.

Hard Wax

Sets accents, models and provides a natural, non-greasy finish.

Matt Paste

Strong hold like a pomade with a matte finish, washes out well and does not make hair heavy.

Defining Paste

The solid paste is ideal for modeling, styling and restyling, giving a strong hold. High-quality ingredients nourish the hair with valuable nutrients, strengthen the hair and provide suppleness.

Pomade

Available in medium hold and strong hold. Gives the hair more shine and light to firm hold.

Volume Powder

Texturizing powder that gives hair instant volume and grip.

Volume Foam - non aerosol

Gives hair elasticity, hold, volume and protection. Makes it supple and easy to style.

Styling Spray 2 in 1 - non aerosol

Care and strengthener optimally combined. Specially selected ingredients provide the hair with nourishing protection and give a natural hold and fullness. Available in two strengths.

Hairspray - non aerosol

Gives the hair silky fullness, keeps it elastic and does not dry it out. Brushes out easily.

Hair care

Shampoo

For gentle cleansing with shiny results. The following varieties are available:

Repair - Restructures the fiber and restores strength and vitality to damaged hair.

Volume - Gives fine hair noticeably more strength and visibly long-lasting volume.

Color - The contained vitamin E complex gives the hair brilliance and protects the color.

Balance - Ensures dandruff-free hair and harmonizes the natural balance of the scalp.

Deep cleansing - Completely removes product residues in the hair and prepares it for deep moisturizing.

Silver - Pigmented shampoo for gentle cleansing and neutralization of any yellow tinge.

Dry Shampoo - non aerosol

The power of rice and tapioca starch reliably absorbs excess oils, impurities and product residues from the hair and scalp. In addition, it provides a matte finish, pleasant texture and light volume.

Shampoo Powder

Gently cleanses the hair, makes it easy to comb, smooth and provides a natural shine.

Valuable care ingredients pamper the hair structure, nourish the scalp and protect the hair.

Mixing the powder with tap water creates a pleasantly creamy liquid product.

Conditioner Powder

Natural ingredients make the conditioner an intensive care booster for the hair. Valuable active ingredients pamper the hair and scalp with important vitamins, minerals and trace elements. Mixing the powder with tap water creates a pleasantly creamy liquid product.

Jojoba Moisture Conditioner

Restorative care with valuable jojoba oil. Soothes and regenerates stressed hair, nourishes the scalp, helps with brittle hair and dry ends and helps the hair to natural shine and fullness. Vitamin A and Vitamin E protect hair and color for longer color brilliance. Features a natural sun protection factor.

Soft Conditioner

The universal treatment for hair in need of light to heavy care. The valuable ingredients such as high-quality oils, special proteins and panthenol strengthen and repair stressed hair from the inside out, moisturize it and give a natural shine.

The optimal protection against split ends!

Foam Conditioner - non aerosol

Cares for damaged and fine hair without weighing it down, after each color treatment. Gives hair natural shine and volume.

Moisture Mask

Nourishing treatment with valuable oils. The rich treatment gives maximum moisture to dry hair.

Avocado oil gives the hair noticeably more elasticity and a silky softness, argan oil and sea buckthorn oil restore strength and vitality to damaged hair and provide a natural shine.

Hair Care

Acid Balancer

Recommended after any chemical treatment. To restore the natural pH of hair and scalp. Neutralizes alkali and peroxide residues, prevents creeping oxidation. With valuable nourishing phase. Seals the hair fiber and stabilizes the color tone.

For vital, supple and shiny hair. pH value: 2.5

Plex Care

Prevents hair damage during all common coloring and bleaching techniques. Reduces hair breakage and damage.

Improves hair structure with repeated use and prolongs the life of hair color.

2-Phase Leave-in Conditioner

Green Tea & Papaya as a rich 2-phase conditioner with proteins and panthenol. Protects hair and color with valuable active ingredient complex. Makes hair supple and easy to comb. No rinsing.

Repair - provides rich moisture for strong, stressed hair.

Volume - nourishes fine hair shiny and gives silky fullness at the same time.

Color - nourishes colored hair and provides long-lasting color brilliance.

2-Phase Heat Protection Spray

For protection when styling with blow dryer, straightener or curling iron. Nourishing anti-frizz formulation with keratin building blocks.

Provides a natural and beautiful shine to the hair. Vegan!

2-Phase Detangling Spray

Detangles hair and improves combability. The nourishing formulation with keratin building blocks provides a naturally beautiful shine and is suitable for all hair types. Vegan!

Liquid Keratin

Cares for structurally damaged hair with keratin building blocks, protein derivatives and amino acids. The active ingredients combine with the hair keratin and help build the damaged structure. The hair is protected from damaging and oxidizing influences. Also available vegan!

Hair Tip Fluid

Highly effective care concentrate with argan, coconut and macadamia oil for dry and split ends.

Provides lasting protection against split ends. Smooths and nourishes the fiber.

Hair Oil

Rich care miracle with various valuable oils. It gives the hair wonderful suppleness and a great shine.

It nourishes the hair intensively and provides for an irresistible shine. Care booster for addition in shampoo, conditioner or hair treatment or also as care and finish into towel-dried or dry hair.

Johoba Oil

Use in attachment colorings as optimal skin protection or as an additive to hair care products.

The oil contains a lot of vitamin A and vitamin E and has a natural sun protection factor. Jojoba oil nourishes the scalp, helps with brittle hair and dry ends and gives the hair a natural shine and fullness.

Argan Oil

For dry and unruly hair. Shiny hair without being greasy.

Moor Water

Soothes the scalp and intensively nourishes damaged hair. A daily application leads to an optimally supplied scalp and thus supports hair regrowth. The active ingredients of nettle water and birch sap as well as high-quality rosewood oil vitalize the scalp. Vegan!

Hair Transformation

Bleaching Powder

Dust-free powder for processing with cream oxide. For optimal hair protection, an oil-infused combination of active ingredients combination of active ingredients. A platinum effect enhances the lightening and gives wonderful shine. The bleaching is suitable for all modern bleaching techniques and is available in two strengths.

Bleaching Powder - ammonia-free

The ammonia-free formula ensures pleasant and easy application. It provides an even lightening, a beautiful shine and a pleasant smell. Soft Bleaching allows you to gently lighten by up to 5 tones. The result ranges from a very light sun effect to high-contrast highlights. The application is possible on natural and colored hair.

Hair color

Permanent, oxidative cream hair colors in over 70 different, expressive, brilliant shades. The hair colors have very good coverage, great color fastness and give luminous shine. During the coloring process, the hair structure and scalp are optimally protected. All nuances are intermixable and are characterized by very good durability.

Intensive Tint - ammonia-free

With a more pleasant smell, you achieve shiny color results with convincing coverage. Hair structure and scalp are optimally protected. Over 60 nuances in the assortment - arbitrarily expandable. All nuances can be mixed with each other and are characterized by very good durability.

Cream Oxidant

With valuable care phase for use with all hair colors and bleaching powders. Available in the concentrations 6 Vol. - 10 Vol. - 13 Vol. - 20 Vol. - 30 Vol. - 40 Vol..

Perm

A mild-alkaline permanent wave, which due to its particularly gentle reshaping, gives the hair a wonderful bounce with noticeably more elasticity.

Foam Fixative - ready to use

Universally applicable foam fixative for all perms.

Thickener Powder

Thickens hair colors and tints for creative color applications on the hair. The addition of the thickening powder helps to apply different strand techniques and create color effects. The powder makes the hair color stick and does not swell.

Color Conditioner

This high-quality hair care product with tinting pigments conjures up intense shine, a natural, strong color tone and fascinating color reflexes. The Color Conditioner can be used to extend the life of the hair color. At the same time it is suitable as a refresher suitable. Different shades available.

Color Remover

Gently removes unwanted skin tones quickly, gently and effectively after color treatment.

Bond Remover

Gently dissolves all types of bondings and tape extensions.

For Men

Shampoo Tea Tree & Peppermint

The ingredients of Tea Tree & Peppermint shampoo make hair look healthy and shiny, stimulate the scalp, refresh and provide a pleasant scent throughout the day. Suitable for daily cleansing.

Shampoo Tea Tree & Peppermint with Freeze Effect

The plus of freshness for scalp and hair! Vitalizing shampoo with extra freeze effect - ideal for hot summer days. The Tea Tree & Peppermint shampoo with menthol and freeze effect provides an ice-cold freshness, lets hair healthy and shiny, stimulates the scalp and provides a pleasant scent throughout the day.

Shampoo Tea Tree & Peppermint fresh & fruity - anti dandruff

With refreshing menthol and fruity cranberry scent! The shampoo is additionally enriched with a highly effective anti-dandruff formula. This complex can soothe irritated scalp and ensures dandruff-free hair.

Hair & Body Shampoo

Specially designed for daily care of men's hair and skin. It cleanses mildly, revitalizes hair and scalp and provides soothing moisture.

Hair Tonic

Cares for the scalp and strengthens blood circulation. Quick help for itchy head and stubborn dandruff. Tea Tree oil and mint provide a refreshing feeling on the scalp. Can prevent hair loss.

Body Lotion

Special care for stressed male skin. The cream spreads well on the skin and is quickly absorbed.

Beard Oil

High-quality oils care for the beard and the skin underneath. Already after the first applications the beard becomes pleasantly soft and gets a light, natural shine. Feels good and looks good too!

Beard Balm

Cares for the beard and the skin underneath with natural raw materials such as coconut oil, shea butter and beeswax. For the perfect shaping of the beard hair. With high-quality perfume oils, essential oils or as an odorless version available.

Beard Shampoo

Reliably cleanses the beard and cares for the underlying facial skin. In addition, it gives a wonderful, long-lasting fragrance. The beard shampoo has been developed for the needs of facial hair and provides the beard and the skin with important nutrients.

Beard Pomade

The ultimate solution for protruding beard hair. Brings the beard in shape and gives it a strong hold.
