Natural cosmetics

Face cream

The all-rounder for every skin type. High-quality, natural ingredients such as shea butter, almond and argan oil pamper and nourish the skin and make it soft and smooth again. The cream is quickly absorbed and is free from Colorants, preservatives and synthetic fragrances. Vegan!

Body Lotion

A high-quality mix of naturally pure almond and argan oil intensively nourishes the skin and makes it especially supple. Shea butter provides your skin with sufficient moisture. The silky texture is quickly absorbed without leaving a film on the skin. Natural cosmetics that are free of colorants, preservatives and synthetic fragrances. Vegan!

Body Oil

This pleasantly scented oil nourishes the skin with the concentrated nourishing power of lemon and orange oil. It provides the necessary protection for the skin and regenerates you. Natural cosmetics, which is free from colorants, preservatives and synthetic fragrances. Vegan!

Hair Oil

High quality argan oil, shea oil and jojoba oil repair split ends, make hair manageable and wonderfully smooth. The high-quality oils repair the hair from the inside out and provide it naturally with everything it needs. Suitable for all hair types. Natural cosmetics that are free from colorants, preservatives and synthetic fragrances. Vegan!

Shampoo

The moisturizing shampoo cleanses hair and scalp particularly gently thanks to mild, purely plant-based surfactants. Carefully selected ingredients keep from drying out and give the hair a natural shine. Suitable for all hair types!

Liquid soap

Argan oil and plant extracts have a moisturizing effect, gently cleanse and nourish hands. Natural cosmetics free of dyes, preservatives and synthetic fragrances.

Massage Oil

Massage oil based on nourishing oils such as lavender oil, calendula oil and shea oil. These oils have a relaxing effect and are also suitable as a body oil for sensitive and dry skin. Natural cosmetics free from dyes, preservatives and synthetic fragrances. Vegan!

Pure shea butter

Certified, unrefined and naturally pure shea butter from controlled organic cultivation. free of fragrances. Ideally suited as whole body care for all skin types. Natural cosmetics free from colorants, preservatives and fragrances. Vegan!

Teeth Whitening Powder

The teeth whitening powder provides already in the shortest time for naturally white teeth. Through the consumption of coffee, tea, red wine or tobacco often cause unsightly discoloration and deposits on the surface of the teeth, which give our smile a yellowish tinge. The black activated charcoal absorbs these discolorations and deposits and ensures for a significant whitening of the teeth. Vegan!

Facial care

Clarifying facial cleansing

Pure cleansing and refreshing with a mild cleansing gel.

Helps control impurities and balances oil production. With natural fruit acids from grape seed oil.

Day & Night Skin Lotion

Supports natural skin functions, moisturizes and protects against free radicals. The natural fruit acids of grape seed oil improve skin texture.

Clarifying Skin Lotion

Specially developed, mild and refreshing skin lotion that gently cleanses the skin and reduces large pores.

Keeps skin functions in balance! Controls impurities and prevents excessive sebum production.

Blemish Balm

The antibacterial action effectively reduces pimples. The serum has an astringent, pore-refining and soothing effect on the skin.

Vegetable oils additionally support the natural protective function of the skin.

Eye Make-up Remover

For gentle cleansing of the eye area. Even water-insoluble ingredients are thoroughly removed.

Body Care

Body Cream

High-quality care and protection with beeswax. Has a moisturizing effect. The cream spreads well on the skin and is quickly absorbed. The skin feels smooth and supple again.

Hair & Body Mist

Refreshing hair and body spray for daily use. The spray is easy to apply and provides a pleasant scent experience.

Massage Lotion

The skin-friendly massage lotion with its high-quality oil concentration for an optimum and long-lasting.

Gliding behavior without film on the skin. Valuable ingredients such as vitamin E protect the skin from harmful from damaging environmental influences,

moisturize the skin and can provide skin regeneration.

Body care

Hand Refreshing Fluid

Has a refreshing and disinfecting effect. Ideal for on the go.

Nail care oil

The coordinated oils provide the skin with intensive moisture and give the nails suppleness and a natural shine. The oils contained nourish the nails and care for the cuticles, leaving them feeling supple and revitalized.

Alkaline Bath

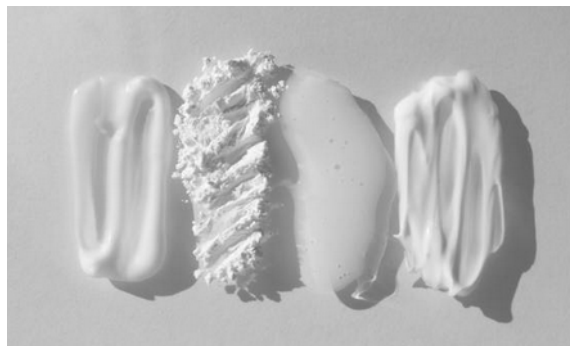

Supports the acid-alkaline balance of the skin and detoxifies the body. Excellent for full, sitting and shower baths, as well as for foot and hand baths.

Foot powder

Keeps feet dry, supple and odorless. Variable additives, determined by your preferred claim, have a disinfecting effect, cooling or optionally inhibiting mycoses.

Shower Gel Powder

Gently cleanses and moisturizes the skin, leaving it feeling soft and comfortable. The gentle active ingredients support the natural skin protection and help the body's own refatting. Mixing the powder with tap water creates a pleasantly creamy liquid product.

Hair styling

GelWax

Gel wax with UV protection and care. Non-greasy, for defining individual sections of hair.

HardWax

Sets accents, models and provides a natural, non-greasy finish.

Matt Paste

Strong hold like a pomade with a matte finish, washes out well and does not make hair heavy.

Defining Paste

The solid paste is ideal for modeling, styling and restyling, giving a strong hold. High-quality ingredients nourish the hair with valuable nutrients, strengthen the hair and provide suppleness.

Pomade

Available in two versions: medium hold and strong hold. Gives the hair more shine and light to firm hold.

Volume Powder

Texturizing powder that gives hair instant volume and grip.

Volume Foam - non aerosol

Gives hair elasticity, hold, volume and protection. Makes it supple and easy to style.

Styling spray 2 in 1 - non aerosol

Care and strengthener optimally combined. Specially selected ingredients provide the hair with nourishing protection and give a natural hold and fullness. Available in two strengths.

Hairspray - non aerosol

Gives the hair silky fullness, keeps it elastic and does not dry it out. Brushes out easily.

Hair care

Shampoo

For gentle cleansing with shiny results. The following varieties are available:

Repair

Restructures the fiber and restores strength and vitality to damaged hair.

Volume

Gives fine hair noticeably more strength and visibly long-lasting volume.

Color

The contained vitamin E complex gives the hair brilliance and protects the color.

Balance

Ensures dandruff-free hair and harmonizes the natural balance of the scalp.

Deep cleansing

Completely removes product residues in the hair and prepares it for deep moisturizing.

Silver

Pigmented shampoo for gentle cleansing and neutralization of any yellow tinge.

Dry shampoo - non aerosol

The power of rice and tapioca starch reliably absorbs excess oils, impurities and product residues from the hair and scalp. In addition, it provides a matte finish, pleasant texture and light volume.

Shampoo powder

Gently cleanses the hair, makes it easy to comb, smooth and provides a natural shine.

Valuable care ingredients pamper the hair structure, nourish the scalp and protect the hair.

Mixing the powder with tap water creates a pleasantly creamy liquid product.

Conditioner powder

Natural ingredients make the conditioner an intensive care booster for the hair. Valuable active ingredients pamper the hair and scalp with important vitamins, minerals and trace elements. Mixing the powder with tap water creates a pleasantly creamy liquid product.

Jojoba Moisture Conditioner

Restorative care with valuable jojoba oil. Soothes and regenerates stressed hair, nourishes the scalp, helps with brittle hair and dry ends and helps the hair to natural shine and fullness. Vitamin A and Vitamin E protect hair and color for longer color brilliance. Features a natural sun protection factor.

Soft Conditioner

The universal treatment for hair in need of light to heavy care. The valuable ingredients such as high-quality oils, special proteins and panthenol strengthen and repair stressed hair from the inside out, moisturize it and give a natural shine.

The optimal protection against split ends!

Foam conditioner - non aerosol

Cares for damaged and fine hair without weighing it down, after each color treatment. Gives hair natural shine and volume.

Moisture Mask

Nourishing treatment with valuable oils. The rich treatment gives dry hair maximum moisture to dry hair. Avocado oil gives the hair noticeably more elasticity and a silky softness, argan oil and sea buckthorn oil restore strength and vitality to damaged hair strength and vitality again and provide a natural shine.

Hair Care

Acid Balancer

Recommended after any chemical treatment. To restore the natural pH of hair and scalp. Neutralizes alkali and peroxide residues, prevents creeping oxidation. With valuable nourishing phase. Seals the hair fiber and stabilizes the color tone. For vital, supple and shiny hair. pH value: 2.5

Plex Care

Prevents hair damage during all common coloring and bleaching techniques. Reduces hair breakage and damage. Improves hair structure with repeated use and prolongs the life of hair color.

2-phase leave-in conditioner

Green Tea & Papaya as a rich 2-phase conditioner with proteins and panthenol. Protects hair and color with valuable active ingredient complex. Makes hair supple and easy to comb. No rinsing.

Repair - provides rich moisture for strong, stressed hair.
