Your Dorset Wedding Celebration at The Wishing well and Tea Gardens

Our Tea House overlooks the impressive subtropical gardens and is a stunning wedding venue for your celebrations.

The restaurant offers all weather flexibility with inside or outside options for your wedding celebration suitable for up to 80 guests inside and 80 outside in the garden. This can include a marquee, an outside bar amidst natural ponds, walkways and outdoor food stations hidden in magical spots. We are licensed to host music inside the venue and also have access to an incredibly quirky wonderful School hall adjacent to the venue, which can further host an additional 100 guests

Our creative and dedicated team has designed wedding menus with produce sourced from local suppliers and farmers within a 20-mile radius of the location.

At the Wishing Well we are delighted to offer fixed price packages with no hidden extras, allowing you to plan and budget your wedding without the fear of any financial surprises.

The stunning location and peaceful gardens within picturesque Dorset countryside offers a unique and versatile blank canvas for your wedding theme and wedding photography. We have the facility to offer buffets, hog roast, BBQs and paellas combined with traditional garden picnics. Our food is all homemade including cakes, breads, puddings and scones.

You can hold your civil ceremony in our stunning and spectacular gardens and The Wishing well is conveniently located close to St Nicholas church should you prefer a church ceremony. The 13th century parish church of Upwey is beautiful venue for your Dorset wedding ceremony. Any wedding celebration at the Wishing Well as a backdrop for your wedding photography will make your wedding day truly memorable! We have just launched our Gin and High Tea wedding packages, please enquire about them when you call.
