

**Just some words
to inspire you...**

Deft UK

*Opportunity begins
with attitude.*

Simplicity is key

*“To be simple, is to
be great” - Ralph
Waldo Emerson*

In order to progress up the ladder of one's career, one must constantly and actively demonstrate skill and cleverness.

*Create while you
wait*

*Why drown with the
leeches, when you can
swim with the dolphins?*

*Humility, Decorum,
Respect*

*Do what you should,
so you can do what
you would*

We're not there yet...
I don't see anyone
flying

*Look down for your what,
look up for your why, look
around for your how*

*Never give up, never
give in. Go forward*

*Be the change you
want to see in the
world*

*Never fear the
process, see the
progress*

*Live by your word,
laugh by your truth*

*“Wealth is a product of
man’s capacity to think”-
Ayn Rand*

*Laughter lightens
the soul. Onwards
we roll*

*Find your essence.
It's there*

*Value you, so you
can value others*

*Live truth, smile
deeper*

*“Knowledge is
power” - Francis
Bacon*

*“Wisdom is the
principal thing”-
King Solomon*

*Wisdom is a moral
understanding of
knowledge*

*There is only one
you. So do you*

Don't stress.

*Remember you're
blessed*

*Don't worry. Be
happy*

Consistently dig deep

*Instead of thinking of the
life that you have, think
about the life you can
build*

*You reap what you sow. So
sow success.*

*Your test is a
testimony.*
