

## **TERMS AND CONDITIONS OF ENGAGEMENT – CLOSE PROTECTION SERVICES**

Scorpion Protection International (SPI) will consider all requests for engagement of services and will provide a decision as soon as an evaluation of the request and background checks have been made.

We will only accept a task on the following grounds;

- The request must be legitimate and lawful
- SPI are able to meet the expectation of the client / principal
- Where the client / principal agrees to take on board the professional security advice of SPI
- Where the financial agreement is agreed and met
- Where a face to face meeting with the client / principal is carried out prior to acceptance
- Where the client / principal is prepared to share their itinerary in advance in order to plan effective protective cover
- For requests relating to Private functions and events, we would be provided with all the necessary information required to fulfil the requirement
- Armed protection is only considered where there is a legitimate requirement and where the carrying of firearms is legally permissible
- All travel / Accommodation arrangements are made by the client / principal or their representative(s)

We commit to providing each client / principal with a World Class Professional Close Protection Security Service. Our intention is to secure repeat business by providing an outstanding service, maintaining the highly regarded reputation we have earned.

No request is too big or too small, we will consider all requests.

We openly accept New Clients who meet the above considerations. We will assign a senior company representative to liaise with you and they will arrange for your team selection and deployment. They will remain your main point of contact within SPI throughout your task.

A contract of engagement will be drawn up for all clients of SPI.
