AESTHETICS MEET TECHNOLOGY

SMALL IN SIZE, GREAT IN LIGHT QUALITY

Although Modular's smallest recessed spotlight, Qbini produces more than 400 lumens. Featuring CRI90+ and available in multiple colour temperatures and beam angles, Qbini has an outstanding light quality.

WARM DIM

Our warm dim technology warms the colour temperature of the light as it is dimmed, for a relaxing, cosy ambiance at low light levels.

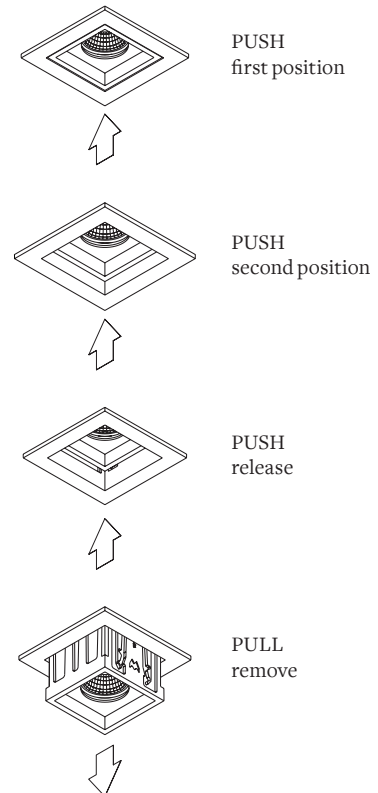

LEAF SPRINGS

Leaf springs make installation a breeze, even in concrete ceilings, no screws required.

PATENT-PENDING INSTALLATION

A little push and an ingenious mechanical click system allows you to instantly change the look of your lighting.
