RENEWABLE ENERGY & ENERGY EFFICIENCY ENGINEERS

LHW Partnership LLP | The Annex, PO Box 6430, Leighton Buzzard, LU7 6FE | 020 3290 5497 | www.lhwp.co.uk | enquiries@lhwppartnership.co.uk

UNMANNED AERIAL VEHICLES

TECHNOLOGY OFFERS NEW PERSPECTIVES

LHW Partnership is a Civil Aviation Authority (CAA) approved aerial photographer (visual and infrared) with CAA Permission for Commercial Operations (PfCO) as well as operation safety approval of 20m to fly unmanned aerial vehicles (UAV or 'drones').

As such, LHW Partnership is approved to photograph most buildings and landmarks. We can photograph any subject matter, including general imaging, 360° panoramas and videos.

SAMPLE PHOTOGRAPHY
