Maxivent
Aluminium, Flat Foil, Roof Vent

New

Concealed Motors

No more ugly motors or cables on show. All motor and cabling is hidden from customers view for a clean look.

Easy Glazing

No more leaking glazing beads. With the new glass clamp system, glazing and de-glazing is a doddle. Watertight every time.

Easy Lid Removal

Simply pull the locator pin on the Maxivent and the lid lifts right off. Great for easy access and maintenance.
