Mourning into Dancing

Verse

Where there once was only hurt (**Sop & Altos**)
He gave His healing hand (**Tenors & Altos harmonise**)
Where there once was only pain (**Sop & Altos**)
He brought comfort like a friend (**Tenors & Altos harmonise**)
I feel the sweetness of His love (**Sop**)
 Ooooo (**Tenors & Altos harmonise**)
Piercing my darkness
I see the bright and morning sun (**Sop**)
 bright and morning sun (**Tenors & Altos harmonise**)
As it ushers in his joyful gladness (**all together**)

Chorus

He's turned my mourning into dancing again
He's lifted my sorrows
I can't stay silent
I must sing
for His joy has come

(All together)

His anger lasts
For a moment in time
But His favour is here
And will be on me for
All my life time
