

An aerial photograph of a small white motorboat with two people on board, moving across clear turquoise water. The boat leaves a white wake. The right side of the image is overlaid with a semi-transparent red rectangle. Inside this rectangle, the text "SAILING ISN'T A SCIENCE, IT'S AN ART" is written in white, uppercase letters. Below the text is a short white horizontal line.

SUNSEEKER SUPERHAWK 48 "Lola"

SUNSEEKER SUPERHAWK 48

El conocido Superhawk 48 es rápido y eficiente, sin renunciar a la comodidad habitual. Solárium en proa y popa para disfrutar del sol y relajarse, o en la cómoda bañera con su mesa plegable. Nevera, toldo bimini, buena música... Este barco apareció en "The World is Not Enough". Si quieres sentirte como Mr. Bond, este verdadero clásico es tu perfecta elección para surcar las aguas de Ibiza y Formentera.

The Sunseeker 48 Superhawk is one of the most popular Sunseeker's ever built. It is a powerboat that is so staggeringly powerful, and yet at the same time a craft that is so exquisitely beautiful, that heads will turn every time you take her out. Teak bathing platform and cockpit, sun bathing areas both fore and aft and ample seating area. The Superhawk is an impressive boat in terms of speed, seaworthiness, handling and interior comforts, but at the helm it's a real honey.
