

# Confused about Household Recycling?

Recycling is collected from all households in the New Forest every week in clear sacks.

## What can I put in the clear sack?

Fill your clear sack with household recycling, tie it and place it at the edge of your property for collection each week. Sacks should be put out for collection no earlier than 6pm on the evening before collection and no later than 6am on the day of collection.

Recycling should be placed loose in the sack; any items contained in carrier bags within the sack cannot be taken.

## What can't I put in the clear sack?

These items should go in your black sack:

- Plastic pots, yoghurt pots, tubs and trays
- Cartons
- Foil

Find more information about 'why I can't recycle plastic pots, tubs and trays' in my clear sack here:

<https://www.hants.gov.uk/wasteandrecycling/recycleforhampshire/whatweneed/recycleplastics>

You can recycle glass bottles and jars through your black box or green communal bin.
