

## **Anna and Uli Help with medical examinations of the Ara's**

**Early morning start!**

**First catch the ara....**

**Not quite as easy as it sounds....**

**Anna records the Leg ring ID number**

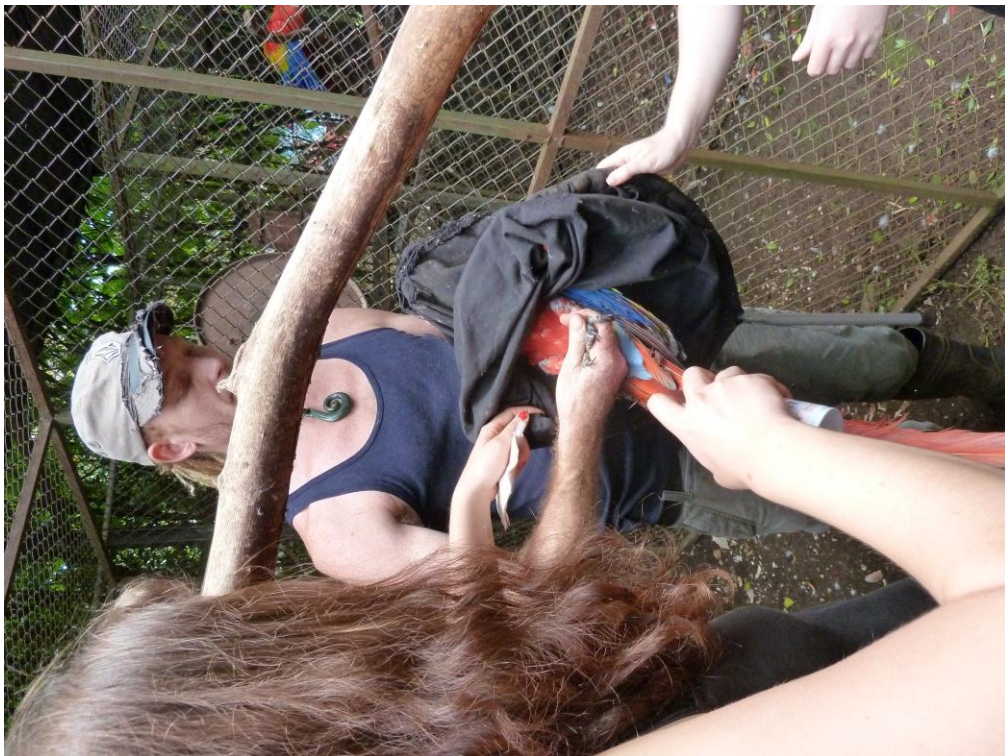

## Learning how to hold an Ara safely

**Anna spray's the Ara's feathers to prevent feather mites and parasites**

**GOOD DAYS WORK!**

**THANK YOU F.A.W.N!**
