

# Southampton Deanery

## Prayer Cycle 2021

*Our calling to prayer is one of the ways in which we can serve the City of Southampton, and uphold one another within the Deanery. This Prayer Cycle is designed to be used each day, and covers all the Parishes of the Deanery, as well as those involved in the sector ministries in secular institutions, and for many aspects of City life. A fuller list of ministry teams in each parish is on the back page.*
