**Site Manager:** Robert Cunningham  
**Carnival Court:** Rachel Williams  
**Pet/Dog Show:** Gary Lee  
**Arena and Stage:** Paul Morris

The Carnival Committee would like to thank everyone who supported the Stowmarket Carnival last year; your support made it another fantastic event. The Carnival is a self-funding organisation so without your support Stowmarket would not have a Carnival, an event that is now in its 55th year.

This year we will be returning to a 2 day event with a carnival theme of 'The 60's' - please feel free to dress for the theme.

We would like to say a special thank you to XPO Logistics for their continued support in providing lorries for the procession. The Carnival Court will be travelling in a bespoke carriage again, keep a look out for this extra special vehicle in the procession on Saturday from 12.30pm. We have some fantastic arena and stage acts again this year – please read on for more details later in the magazine.

We will be using wristbands for entry again this year; these will be available to buy on Saturday morning in the town centre or at the entry gates – there will be a different entrance at both sides of the Recreation Ground for those who have purchased a wristband in advance.

All of the carnival committee and wider team have worked very hard to make this year's Carnival enjoyable and fun for all the family and we very much look forward to seeing you over the Carnival weekend.

*Enjoy the Carnival!*

# THE PROCESSION

The procession is one of the highlights of the Stowmarket Carnival and loved by many people.

This year; once again; XPO Logistics have agreed to provide us with the majority of the lorries for the Procession – we are very grateful to them for this.

Our theme this year is 'The Sixties' and lots of local community groups and organisations have spent many hours creating and preparing their floats and are now raring to go.

A big thank you to everyone who has got involved, putting so much time and hard work into creating their floats - we can't wait to see them!

The Procession will leave the PPG car park at 12.30pm and winds it's way through town arriving at the Recreation Ground at around 2pm.

To let the procession move easily through Stowmarket, road closures will be in place, we please ask that you adhere to these on the day and respect the instructions of the Traffic Marshalls.

We really appreciate everyone coming out to support the Carnival Procession – a lot of time and effort goes into creating the floats and it is lovely to see all the pavements filled with people watching the Procession.

If you have any queries about the Procession please contact Jayne Woods on 07745 505013.

# NEW LIFE CHURCH

New Life Church is a family-orientated, contemporary-styled church that has been meeting in or around Stowmarket for over twenty years. Our meetings are informal and easy to engage with, with something for everyone.

A live band leads off the meeting with upbeat songs that generally speak of God's goodness, power and works. We then listen to what's going on in church with Church News. The kids head off to their own sessions, packed with more songs, games, quizzes, stories, videos and loads more, whilst the band continue with some slower-paced songs, more reflective and focused on Jesus.

Then there'll be a message, usually given by Pastor Mike, or by one of the other leaders, or occasionally by a guest speaker (we've had guest speakers from all over the world come visit!).

At the end we'll finish with an upbeat song, with the kids coming back to join us, and then there's the chance to catch up with everyone over a cup of tea or coffee. Church is as much about our relationships with each other as it is about our relationship with God.

**New Life family Church**  
*Love God Love people Love life*

At New Life family church we believe in showing Gods love to the community around us through practical ways, with New life care, Rhyme time, Youthbase and Stowmarket and area Foodbank.

Kind regards, Pastor Mike Smith

## New Life family Church
