### THE MINION ATTACK

Hugo Gutierrez  
5<sup>th</sup> Grade

Long time ago, in the year 1507, there was a temple in Egypt. The temple was dimly-lit and it was in the middle of nowhere.

In the temple lived the Minions. The Minions were a meter tall, yellow and fat. They were making a machine called Egypt Destructor. They invented the machine to go to the year 2015 to attack the people of that time and destroy the planet Earth.

The Minions prepared another planet called Minion Earth. They wanted to destroy our Earth so there could only be one world, their world. The Minions were very bad and very silly because their planet was not beautiful like our planet.

### THE EXPLORERS

Joel Carreon  
5<sup>th</sup> Grade

In 2015, on a remote island with trees and secret tunnel, the explorers came and found some fantastic animals. They were excited but they had a problem. There was no food on the island. And none of them knew how to make fire.

While they were trying to make fire in front of a bush, a big, black hairy monster suddenly came out and attacked the explorers, saving the fantastic animals from being taken away from the island.

## **THE HAUNTED CHURCH**

Victor Alcaraz  
5<sup>th</sup> Grade

Long time ago in 1659, there was a haunted church, very far from the city. The church was dark, abandoned. Inside the church there were rats, spiders, giant bees and bats.

In the town lived a vampire who was very tall and very ugly. There was also a boy called Victor. He was good and handsome.

One day, Victor entered the church. He saw the vampire getting all the animals to do harm to the people of the village. Victor took his pistol, shot the vampire, but failed.

The vampire started running out of the church. Victor who was a fast runner, ran after him and shot again. This time, he killed him with a silver bullet.

The vampire was killed and Victor became the hero of the town.

## **CEMETERY OF TERRORS**

Cristina Saborit  
6<sup>th</sup> Grade

Once upon a time, there was a cemetery with secret tunnels. It was old, scary and the tunnels were dirty and smelly. People were afraid of the cemetery and no one went there because they said there were zombies there.

One midnight, a beautiful, blonde young girl called Anabelle entered the cemetery. She was an orphan. In the cemetery, the dead returned to life. They were the zombies. The zombies didn't like Anabelle because she was beautiful and she had the power to speak to them and command them.

She commanded the zombies to be her friend. She made friends with them because she was all alone. The zombies guided her back to the secret tunnels and returned her to a house where there was a couple who had no children and wanted a daughter.

Anabelle became their daughter and she was happy ever after.

## THE WOLF

Leire Moreno  
6<sup>th</sup> Grade

A long time ago, there was an old castle on a hill. It looked abandoned and in ruins. The castle had got a big bridge and there were crocodiles under the bridge. In that castle lived a woman and her family.

Every full moon at midnight, when the moon was very white and round a woman called Caroline transformed herself into a white wolf while staring at the moon. She ran very fast, and when she was hungry, she ate most of the animals.

Caroline became hungrier and hungrier until she destroyed all the animals first. Then she destroyed the city and killed everyone. The only people she did not kill was her family because even when she was a wolf, she knew and loved her own family.

## THE MYSTERY MAN

Oriol Bonilla  
6<sup>th</sup> Grade

It was the year 1860 when they discovered a cave with cadavers. The cave was near the cliff. It was big and dark and had a lot of dead bodies inside.

Next to the cliff was a city where all people were poor silly republicans. They were all deformed and evil. They lived in houses made of wood which were easy to burn. Every week, they killed someone for some silly reason.

But there was a mystery man who had powers to become invisible and to make fire. This mystery man lived in a cave with tunnels. His family were the cadavers. His face was black and scary. All the silly people were afraid of him and wanted him dead.

One day, they went to attack the mystery man. But the man who had powers turned invisible and burned every one of them. He quartered their bodies and hanged them in front of the city gates to warn the people not to kill for any silly reason again.

## THE AIRPLANE

Cristian Vall  
6<sup>th</sup> Grade

Some years ago, there was an airplane in the middle of a desert. The airplane was luxurious, like a hotel. There were people who lived in that airplane - men with extraordinary powers and ordinary people.

One day, the airplane flew to Florida. The men with powers wanted to visit their parents. But when they visited them, their parents passed on a deadly virus to these men.

These men with special powers went crazy and killed the ordinary men. But one ordinary man survived and crashed the plane to prevent these crazy men from doing more harm.

## THE MONSTER

Aniol Berzosa  
6<sup>th</sup> Grade

A long time ago, in the medieval era, there was a house with secret tunnels. It was big, old and dirty. It was in the middle of the town.

It was an era of swords, a bad era, which happened between the years 1100 to 1400.

In that house lived a mentally retarded girl who was always ill with some virus. She did not go out so as not to spread her illness. Near this girl's house lived a crazy doctor.

One day, the doctor operated on the girl but the operation went wrong. Instead of making her alright, he created a monster. The monster was the girl but she didn't know what she was doing.

One day, the monster escaped and spread a deadly virus while she was walking in the town. In one year, the virus spread all over the world turning people into carnivorous plants.

The world never existed again after that.

## THE ARMY OF MINIONS

Arnau Ors  
6<sup>th</sup> Grade

A long time ago in Spain, in the Middle Ages, in the year 1492, there was a castle on top of Mount Farrell. It was big and terrifying in the middle of the dark forest. They called it "The Terrifying Castle" because it was very frightening.

The King was Fernando and the Queen was Isabel. They had a lot of money but there were many poor people too.

In that castle lived a mad scientist. He was poor and crazy and he wanted to make a powerful army of minions. So he told the King that if they paid him 3,000,000 reales they could have an indestructible army.

When the kings had paid him, he created the army. After two months, the Minions started conquering the world.

There was a war for three years and after those years, the war ended. And Spain became the rulers of all.

## THE HOUSE WITH TUNNELS

Laura Menendez  
6<sup>th</sup> Grade

There was once a house with secret tunnels. It was big, black in the middle of a garden full of carnivorous plants and guard dogs. This house was in the middle of a forest that was full of wild animals. But if someone looks at these animals, they disappeared!

In the city, everyone was addicted to mobile phones. There were robots, and the robots were dangerous because they turned babies into evil robots and sent them to the house with tunnels. The robot babies got a lot of money from the house and with this money, they bought military costumes which they hid in the tunnels.

The city had an army of Minions. They were short, yellow, and wore glasses. One day, the evil babies came to the city in their military uniforms and began an attack against the Minions. The minions fought the robot babies, and they won. After defeating the robot babies, the Minions killed all the parents of the kids and buried them in the house with tunnels.

In the end, the Minions ruled the world.

## THE MINION WAR

Mark Gallan  
6<sup>th</sup> Grade

It was the beginning of the Altiude Era. In this era, there were a lot of wars but the most important one was the Minion War.

This happened in the year 3130 in an airplane in Africa. The airplane was in the middle of the desert. It was old, dirty and in ruins. In the airplane, the Africans kept the Minions they had captured. It's not easy to guard 900 million minions. And that's not the worst thing. The worst thing was there were only 300 million Africans. But the best thing for the Africans was they had weapons.

Finally, there was a war between the Minions and the Africans. The Minions won and put the Africans in cages. Can you believe what happened? They made a human zoo! Poor Africans!

## HA-HA-HALLOWEEN

BERTA MOLINER  
6<sup>th</sup> Grade

It was the year 2150, in a four stars hotel in Los Angeles, California...

There were a lot of people all with flying cars, flying shoes and mobile necklaces. It was a time of inventions.

On the 31<sup>st</sup> of October, Halloween, something strange happened. There was a group of musicians called ERAS who were Engel, Ray, Amy and Sandy as well as other famous people in the party. They thought that there were spirits moving the objects. They had some spirit kits but the inventions didn't work.

Among the party goers was Josh, who was really ugly but intelligent and another girl called Sandy who was very beautiful and intelligent, too. They prepared the Halloween party for the ERAS because the musicians were going to present their new electronic guitar.

In the party, the objects started flying. Everyone was scared and started jumping up the trees. But then, they finally found out who did it...it was not the spirits! They were Sandy and Josh's joke on everybody.

"Happy Halloween!" shouted Sandy and Josh. "It was only a joke!"

## THE MAD SCIENTIST

Sergi Rovira  
1<sup>st</sup> ESO

A long time ago, in an old castle, there lived a mad scientist who had a son. He loved his son a lot.

One day, the son died in a battle camp and from then on, the mad scientist became angry with the world. He thought, if his son died then all society must die too.

One day, he thought of doing an experiment to convert everybody into werewolves and then, eliminate all society. He did this. His plan was perfect. But he forgot that the werewolves could also attack him.

This was what the werewolves did and the mad scientist died. The experiment lost its effect and society became normal again.
