Outreach Centre....Imparting Abundant Life

## Pastor's Letter

Dear Friends,

Welcome to 2016: Our Covenant Season of Open Heavens! Our salutation throughout the year will continue to be: **'Open Heavens, Showers of Blessing'!!** May the God of heaven cause you to enjoy the fullness of His Divine presence as you journey through the year in Jesus' name. Amen.

The year 2015 was indeed a glorious year considering our experiences of God in diverse ways through the testimonies of salvation, healing, divine favour and several others. Between my last newsletter message to you and this one, we have had the privilege of hosting some very significant events at the Centre. These include our Annual Family Dinner and our Christmas Outreach programme - Celebrate the King . You will find some highlights of these in this newsletter.

You will observe also that the dates for our first quarter 2016 events have also been announced. These include: **OCCUPY, RELATE** and **ALIVE** slated by God's grace for January, February and March respectively.

By the grace of God, the year 2016 is loaded with blessings for the elect. Open heavens are the result of God's pronouncement of good upon His people. Every time the heavens opened in the scriptures, the manifestation of God's glory and power was most evident. This is His desire for us as a people this time.

May the good Lord therefore continue to perfect all that concerns us all throughout the season in Jesus' name. Amen. We are really grateful to Him for His loving kindness and tender mercies.

I will also as usual like to use this opportunity to thank all pastors, trustees, ministers, members, friends and associates of Lifegate for the continued dedication to the work God has placed in our hands.

May the Lord continue to reward you all accordingly in Jesus name. Amen. It is well with you and yours.

**Dr. David Oloke**  
Centre Director/ Snr. Pastor

# Our 2nd Anniversary Celebration

To God be the Glory! Indeed, great is His Faithfulness towards us. Here are some pictures from our 2nd Anniversary thanksgiving (CELEBRATE LIFE 2015) service tagged 'EBENEZER'. We are forever grateful to God as a church as we continue to see this hand of mercy upon us all.

# Lifegate End of Year Party

We are always ever so appreciative of God for all He is doing at Lifegate. We truly celebrate God and the faithful Church workforce He has blessed us with. We pray for continual grace to function on every one of us. We thank God for the success of our 2015 end of year dinner celebration.

## Lifegate Communities

God, in very innovative ways, used the Lifegate Communities (LGC), our main arm's length Charity to reach out to our communities in 2015. Some of the LGC executives were recently invited to a special workshop session with the Commonwealth Scholarship Commission (CSC) officials in London. This was in relation to hosting future Professional Fellows. We are always very glad to work with the Commission in achieving these objectives as God enables. Here are some pictures with some of the CSC Senior Executive and Administrators after the meeting. LGC is also working extensively through 2016 to generate more creative projects.

# Celebrate the King (CTK) 2015

One of our biggest Outreach events at Lifegate is the CTK. It is an annual Christmas Eve programme where the Walsall Community, our friends and family all come together to Celebrate our King and Saviour Jesus Christ . It was a glorious time in God's Presence last Christmas Eve.

## Cross Over Service

We crossed over into the new year with thanksgiving, testimonies, prayers and prophetic word ministration at our cross over night. The night was tagged: Crossing Over - Going Stronger.

We are thankful that we made it into a brand new year by His Mighty Hand.

We embrace all that God has for us in the 2016 with great enthusiasm and excitement.

Praise the Lord!!

## Campus Outreach

The Campus Outreach to the Wolverhampton University took place on Friday, 9th Oct 2015. This annual outreach events introduces the Church to new and old Campus students. It was a huge success. We had various students sign up with us and many others engaged us in various discussions desirous to know more about the Church.

Subsequent to this outreach in Walsall, we organised a campus musical concert featuring different local choirs and the Life singers.

We bless God indeed for all He is doing.

## Life Kids & Youths

God has helped us to set up varieties of curriculum that enable spiritual growth for every child and youth. These learning activities are carried out at our church site on Short Acre Street. We are blessed with Children & Youth workers whose heart cry is to see our youth grow into Godly adults.

## Men's Life Network

We are blessed with exemplary men whose lives are wrapped around spreading the gospel of Truth as laid down by our Lord Jesus. They are always there to support, help and advice when necessary. They recently had a seminar tagged 'Medical Day'; it was highly impactful, educative and informative. We truly thank The Lord.

## Women's Life Network

Join the vibrant army of women that The Lord is building up at Lifegate Church. We are passionate about networking with other women in our community and providing supports in line with the Gospel mandate. God has called us to be the light & salt of the world, the Influential Woman with the sole aim of using us to make disciple of all nations. Here are some pictures from our Breakfast Meeting.

# Our Testimonies

By God's Divine arrangement, I got to know about Lifegate church when a friend was tagged with one of the Church's particular message on Facebook. I got attracted and immediately went through the church Facebook page to know more about the church. Coincidentally, we were looking for a good church to worship in Walsall and that was how we became members of Lifegate Church to the glory of God. My greatest desire for churches all over the world is for all to continue to walk in God's supernatural grace daily and remain heavenly focused always.

God bless Lifegate Church.

REV 12:11A (NLT)

Lifegate! O My Lifegate! Where exactly do I start from? My association with Lifegate Outreach Centre was divinely ordained. I came into this country to study and in my first week I found myself at a Campus exhibition which I never planned on attending. This accidental meeting with some of the Church representatives turned out to be the starting point of the ever consistent grace and favour filled moments that I enjoy.

I have grown bountifully in faith, confidence, spirituality, skills, you name it!... It has offered me the rarest of opportunities to grow myself in every aspect of my life. Lifegate church is a testimony in this present day where a high moral decadence in church activities, one could actually beat her chest and state without fear that the activities of this church are woven around raw undiluted unity, harmony and worshipping of God in truth and in spirit.

I wonder what my stay here in the UK as an International student would have been without God using Lifegate Church to locate me. I have witnessed countless testimonies. The home truth is that It's not about the church or the pastors therein, It's about God recognising His own and using the church and the people to impart abundant life. Thank you Jesus for who you are! Thank you Jesus for Lifegate Church! Thank you Jesus for the pastors! And thank you Jesus for each and every member of Lifegate Church! The word you have spoken on the church, its pastors and congregation will continually come to pass. My big surprise testimony from the church is on the way and I can't wait to share it in due time!!!!

*Unegbu, Linda.C*

I became a member of Lifegate after hearing pastor David preach in another church, I was so blessed that I set out to find the church he pastors and ever since then I must say its one of the best decisions I have made for my spiritual growth and life. Being a part of Lifegate has really changed my life, God has blessed me with my wife, a daughter and we are trusting God for increase. on all sides.

It is truly a place to be a part of because the Gospel of Christ preached here is balanced and therein lies the answers to many questions a man could have relating to living a happy, wholesome, and a purpose driven life. I can only thank God for everything, God is indeed great.
