## PASTOR'S LETTER

Dear Friends,

I am most delighted as ever to write you this letter. I believe that the good Lord whom we serve has been good to you and yours. May His holy name be praised.

We at Lifegate Outreach Centre are so grateful to God for all He has been doing for us.

This year is indeed our Covenant Season of Open Heavens as the testimonies abound everywhere of God's faithfulness and we are truly grateful.

We celebrate the God of Lifegate for the huge success of our 3rd Anniversary as evidenced in our yearly programme - **CELEBRATE LIFE 2016**. The theme was **SUPERNATURAL ADVANCEMENT**.

Everyone called of God must realise that a Call is like a journey to a glorious destination in God.

**Rom. 8:29-30** tells us that everyone He foreknew, He called, justified and then GLORIFIED.

However, the journey between justification and glory is one of challenges and obstacles that must be overcome.

For example, after the mighty deliverance from Egypt the children of Israel had to deal with the Red Sea, the need for food and water in the wilderness and other challenges on their way to their promised land.

It was impossible to overcome these without the supernatural hand of God.

So it is that we all need this supernatural hand to help us advance constantly and consistently towards our God-ordained destinies in Him.

As a Church-Centre this is our experience and we are truly grateful to God for His great hand of advancement upon us.

May the Lord continue to do the same in all of our lives in Jesus name. Amen.

This newsletter contains a lot of excerpts from some of our recent events and the testimonies of edification shared by some of our members.

To God alone be all the glory.

Also, our upcoming major events for the rest of 2016 are highlighted.

Over the weeks, more details will also be published regarding our end of year major events such as Celebrate the King (Christmas Eve) and our Cross Over service (New Year's Eve).

Other activities to be held in collaboration with our sister charitable organisation - Lifegate Communities (e.g. the hosting of our 5th Commonwealth Scholarship Professional Fellow) are also happening during this period by the Grace of God.

Please watch out for these and may the Lord bless you as you continue to serve Him through these programmes/ events and more.

Finally, I would like to thank all church members, friends and associates for the great work over the last three years.

May the Lord continue to promote you all as we continue into the next phases of this great assignment.

I love you all sincerely from the depths of my heart.

**Dr. David Oloke**  
Centre Director/ Snr. Pastor

## MEN'S BUSINESS SEMINAR

The Lifegate Men's had a Business Empowerment Seminar in July 2016.

The conference took place in Surrey and was packed with great spiritual impartation, innovative business ideas and networking.

It was truly a refreshing time of learning and empowerment. We give God all the glory.

## WOMEN'S BREAKFAST MEETING

The Lifewomen and other women from our community came together again this year to discuss and have reflections on how we could use our God given potentials to advance His Kingdom. It was a lovely time in God's presence and we are ever so ready to get on board with God in His next move.

There were very inspiring sessions with testimonies, encouraging words and powerful prayers.

We thank God for our Women's Network and are sure we will have many more glorious meetings by His grace.

# SUMMER 2016 BBQ

From 2013, Lifegate outreach centre has been hosting its community to a yearly BBQ and family fun day!

This year was not an exception; it was a great success as we had a large turn out of people from our community. We were able to reach out to as many that were in need and at the same time ministered the word of God to them in various ways. It was a great time indeed!

## LIFEYOUTHS NETWORK

The Lifyouths have had great time in God's presence this year thus far. Some of them were at the 2016 Youth Camp (Soul Survivor) programme seeking to know more of God and enjoy fellowship with other Youths across the country.

Also, we had an excellent time organising a series of outdoor games at the Wolverhampton University this year.

What a fun loaded and highly impactful year we have had!

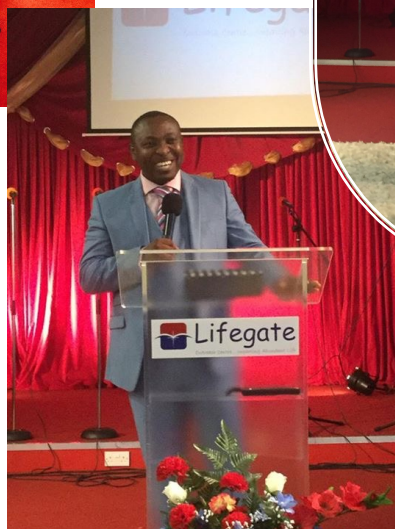

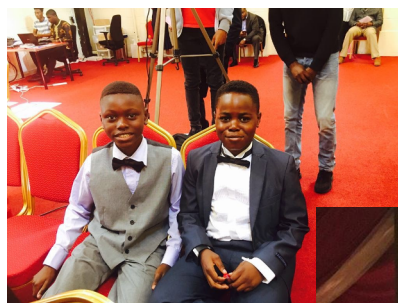

# 3RD ANNIVERSARY CELEBRATION

## CELEBRATE LIFE 2016

To the Glory of the Almighty God, Lifegate is **THREE!** This year's CELEBRATE Life which marked our Anniversary Celebration was themed **SUPERNATURAL ADVANCEMENT.**

It was a great thanksgiving programme and we had our friends and well-wishers in attendance. We give glory to God and we are certain that there are greater things in store for us in Jesus name Amen!

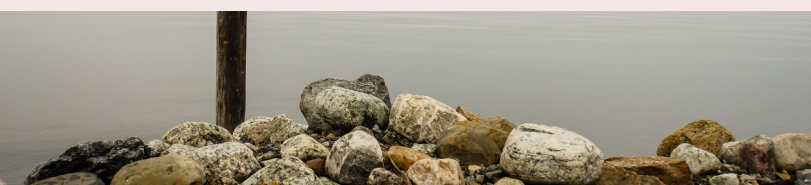

## OCCUPY 2016 UPDATES

The Lifegate Communities seek to reach out to our community by organising series of programmes which benefit both the young and the old.

This has been achievable by identifying the needs in the community, and executing structured programmes to meet such needs. We also host Commonwealth scholars and support them to achieve their various people-oriented goals.
