Caricare Leg Lifter

Lifts
&
Swings

Why Struggle?

Let the Caricare Leg Lifter take the strain.

At the touch of a button both legs can be lifted together or individually if you prefer.

Also benefits care providers by limiting the physical element of helping someone into bed

Battery operated so that power cuts will not affect the leg lifter

The Caricare leg lifter will lift legs upto 14 stone (90kg)

Suitable
for
Hi-Lo
Beds
