## Bedford Chair Bed

The Bedford chair bed is supplied as standard with the following features;

- Easy clean fabric as standard
- Medium risk pressure relief in the seat cushion
- Safe working load 20 stone (127kg)
- Seat width 20-22" (51-56cm)
- Seat height of 18 or 20" (46, 51cm)

Free  
Home  
Demos

Supplied with a dual motor system to allow independent control over the backrest and leg lift. The chair bed also reclines to allow you to lay flat if required – as shown

Back and seat pads can easily be removed and replaced

01455 212 482

## Why struggle?

The added advantage of a lift system will help you move from a sleeping, to a standing position – increasing your independence

Shop – The Arcade, 71-73 Long Street, Atherstone, CV9 1AZ
