MONTBLANC - SOULMAKERS FOR 100 YEARS

Hundred years of Montblanc – a century dedicated to the commitment to exquisite craftsmanship and the finest materials. The brand with the white star, named after the highest mountain in Europe, is celebrating its 100th anniversary in honour of the master craftsmen of Montblanc who passionately incorporate their years of experience and skills in the creation of every single product, giving it something special: a soul.

All Montblanc watches are designed and manufactured with meticulous care a thousand metres above sea level in the mountains of the Swiss Jura: Le Locle, the home of the world's finest watchmakers for centuries.

This is the home of "Swiss Made" precision and painstaking attention to detail, a commitment to traditional craftsmanship and to the quality of every single component as well as a passionate devotion to time.

WRITING INSTRUMENTS

EXPRESSING ONE'S FEELINGS, SHOWING ONE'S INDIVIDUALITY, EMPHASISING ONE'S OWN PERSONALITY – these things are all possible when writing by hand. Whether it is a fountain pen, a ballpoint pen or another writing instrument, it expresses its owner's personality. Even when it is not being used, it reveals something about his or her elegant lifestyle and taste.

NEW SINCE 1924: The Montblanc Meisterstück – meaning masterpiece in German - is an

icon of writing culture, handcrafted in the best European tradition, and truly one of the best-known and most famous writing instruments of our time.

THE STARWALKER COLLECTION, a new generation of writing instruments, combines Montblanc's world-famous incomparable design with master craftsmanship. The result is a collection of pens that excel in innovative design, enhancing surface feel and perfect weight.
