ICONA[®]

superficie high-tech
high-tech surface

Icona nació de la integración de 3 componentes: papel decorativo, melamina/resina acrílica y TNT (tela no tejida), comprimidos mediante un avanzado proceso tecnológico que los hace inseparables, imprimiendo la típica veta de la madera y creando un efecto material.

Icona is the result of the integration of 3 components: decorative paper, melamine/acrylic resin and NWF (non-woven fabric), pressed together through an advanced technological process that makes them inseparable, imprinting the typical wood grain and creating a materic effect.

antiarañazo | scratchproof

antimancha | stain resistant

antimoho | mold proof

sin PVC | PVC free

fácil de limpiar | easycleaning

ecológico | ecological

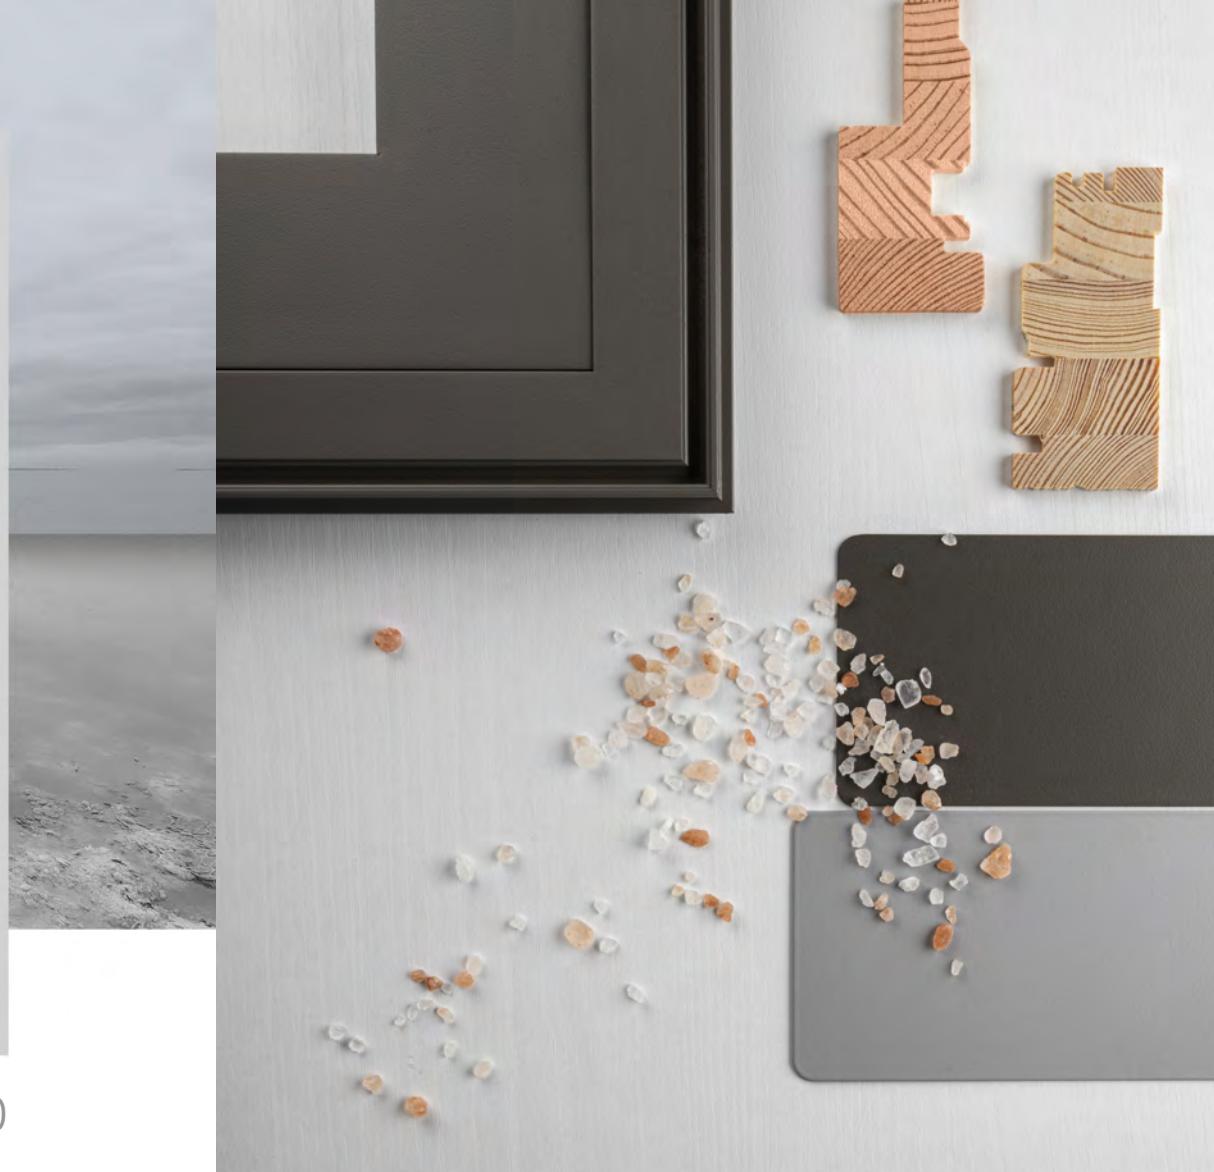

resistente a los rayos UV | UV resistant

sin formaldehído | formaldehyde free
