## **PARTY AT THE PIONEER CLUB**

Oh What a Night! Free Food - Free Drink  
Party On!

There's not many parties where you get told to drink more but this was one of those Occasions, I must say Denise and Steph did a fantastic job of arranging all this. Revellers took to the dance floor making all sorts of moves which I think kept Ryan on his toes,  
A great night

## THE SWAN

Party Night at The Swan is always a really enjoyable gig for the lads '2Tone' the only real difference with this gig this time was Patricia on the left found herself having to hold the ceiling up with her friend? Interested in knowing the reason LOL
