What Do We Do?

We aim to provide you with an individually tailored support plan; this will equip you with the skills and confidence needed to lead a healthier lifestyle and work towards reduction and/or abstinence.

We offer a holistic service combining therapeutic and theory based approaches as well as clinical interventions. This can include access to specialist services (Veterans, Criminal Justice, Womens and Mental Health, Young Persons), Groups (Virtual, Face to Face and exercise based) and 1:1 information, guidance and coaching.

We are passionate about our Recovery Community, we look forward to welcoming you.
