

**TORREMOLINOS
CADIZ** **N-340**

Follow the signs out of the airport to Cádiz. The San Miguel beer factory will be on your right hand side, once past this, bear right onto a main highway (still signed to Cádiz).

After approximately 2kms, you fork to the right. This turning will have blue motorway signs for the A7 / AP7 to Benalmadena, Algeciras and Cádiz. **DO NOT** follow the white signs to Torremolinos / Benalmadena.

**E-15 A7 AP7 BENALMADENA
ALGECIRAS**

Stay on this highway (A7) for approximately 25kms. When you get towards Fuengirola stay in the right hand lane. **DO NOT** filter onto the AP7 toll road (the P is for 'Peaje' which means 'Toll'). Stay on the A7/N340 NOT the AP7. This is as you come down the hill and is also sign posted Fuengirola - the three lanes split into 4 lanes, you need the right hand lanes. The A7/N340 is a dual carriageway and is the coastal road. This bypasses Fuengirola which you will see in a short time on your left.

Continue along the A7/N340 for approximately 18kms, passing through El Faro, Mijas Costa, Riviera, Calahonda, Cabopino and Las Chapas.

Shortly after the Las Chapas turn, look out for a "REPSOL" filling station on the right-hand side as this indicates you are getting very close to Elviria.

Approximately 0.5 km after the Repsol filling station, take the exit signed to Elviria (Kilometre Marker post 192). Another useful landmark at this exit is the tall Don Carlos 5* hotel on your left, you can just see the top over the trees.

There are two parts to this slip. Most of the slip roads off the N340 have this system. i.e. a long slip road to the turning and one immediately at the turning. Take either one.

Once you have turned off for Elviria you come to a roundabout. (remember traffic will be coming from your left, so give way).

Immediately on the right you will see some shops. There is a small supermarket called OPENCOR, it's open 365 days - 8am to 2am. Go straight over the roundabout. Continue up the tree lined boulevard and you come to another roundabout. This has a metal art feature in the middle, you want the second exit that takes you up the hill.

You will cross over the motorway.

Continue up the hill and you will pass the kennels on your right.

There are a number of signs saying 'El Soto', 'El Vicario' and 'La Mairena' as you drive along this road which takes you up the hill.

Follow the road up the hill for about 7 minutes. You will then see some signs on your right and a large white wall with La Mairena painted on it.

Turn right immediately before this wall, don't continue up the hill. This road runs parallel to the hill. You then follow this road, it's a bit of a winding road, to the next junction.

At the junction at the end, you turn sharp right. This is the main road in and out of El Soto de Marbella, 'Marbella Hill View' will be on your left. Follow along this road for a short distance, until the road forks. Take the left hand fork, this takes you down the hill and round a few corners. You will see signs for the Golf Club House, turn left down the hill. The club house is on the right hand side. Turn into the car park. Peter will be waiting inside for you. You can now relax and start your holiday with a drink!!!
