## Wall Blade High Speed Compact Hand Dryer

The Handace Wall Blade High Speed Hand Dryer fitted with a filter to combat germs and bacteria on hands. This machine is compact and powerful whilst creating a warm airflow that can dry hands within 10 - 12 seconds.

The Handace High Speed Hand Dryer is an ergonomically designed automatic machine giving low running costs and low maintenance. ABS cover for superior strength, and does not rust when not in use unlike some steel covers.

Ideal for use in areas where only part of the year is in use, such as campsites and seasonally used areas. Cutting-edge design to reduce energy consumption with infrared motion sensors and automatic shut off to give energy savings when not in use.
