**Gauntlet & Glove Sizing**

Place palm of hand here

- 7.5
- 8.5
- 9.5
- 10.5

Selecting the size of glove/gauntlet, is not as easy as just asking for, small, medium or large, as for the different types of gloves we offer, the physical sizes may vary even though it indicates small, medium or large.

Please use the handy measure to the side of this section to measure the width of your palm, this measurement will determine which gloves to buy.
