Soccer Camp in Germany

This soccer camp is for enthusiastic soccer players from all over the world. Have a great experience in our camp, which takes place in a beautiful sports village located in a nature conservation area (30 min driving time to several top Bundesliga Clubs e.g. Borussia Mönchengladbach, Fortuna Düsseldorf, and only 60 min driving time to Cologne).

Daily Training Sessions

Our “kickers” practice their skills up to three times per day. Sport-specific and pedagogically qualified coaches, coupled with high-quality facilities, promote endless soccer fun and a chance to improve skills. Our young kickers will not only work on techniques such as dribbling, passing and shooting, but will also be able to show their talents in friendly matches and tournaments, as well as Soccer-Qualification rounds. Players will be shown tricks inspired by the professionals. Strength, endurance, coordination and sportsmanship are integrated into our rounded programs. Additionally, as a part cool-down and recovery they will have a chance to analyze their cinema room just like the “Pros”. And if that isn’t enough, they will have the opportunity to play table tennis, beach volleyball or participate in team building games and exercises. Finally, a daily “press-conference” will be held to crown the “Player of the Day”.

Crash Course German Soccer Language

“Tor!” To pick up some German soccer phrases, a German “crash-course” will be offered during the first week. Enjoy soccer, learn from our coaches and have a lot of fun in doing so! You can choose between a 7 or 14-day camp stay.

Services included in our Soccer Camp 7 days:

- 7 days/6 nights – full board – certified youth accommodation
