

Thank You Note

I would like to take this opportunity on behalf of the community of *All Believers House of Prayers* at Ombujommbonde and the surrounding villages (Ombinda, Okarondu, Otjatjingenge, and Omatupa) to place on record our hearty thanks to Mr Markus Meckel and Mrs Gertrud Schmotz for unveiling the plaques on respective occasions (2014 and 2015) with me.

To Supreme Chief Sam Kambazembi, Bishop Burgert Brand, Bishop Masola Katataiza and Mr Ullrich Kinne (Chargé d' Affaires), I would like to say we hope you know that our day (19 July 2015) was more special because you were there with us.

I cannot thank everyone enough for their unique and special involvement in this project, but allow me to single out all the donors (Mrs Schmotz and her colleagues in Germany and the German Embassy Micro Project), including generous support from Schneider Family, German Lutheran Evangelical Church and Bishop Brand.
