*When a helping hand is all you need*

## August 2023 Newsletter

Welcome to the August newsletter,

We hope you are enjoying your summer holidays.

Children are away from school and their studies, taking time to recharge ready for the year ahead. For some they are about to start their 11+ journey, for others they are on the home straight with the secondary transfer tests (11+) one month away.

We realise the need to take time away, to recharge, but for some this is a time to close gaps, refocus and prepare, MTT are here to help.

There is something for everyone, Summer School, Summer courses, Revision and Prep and wide range of mock tests covering VR & Maths, Music, and Queens Sports test.

At this stage at all our events, we are ensuring students know how to be “point seekers” manage their time and ensure they do not lose points for bad marks when completing their answer sheets.

We have a wide and varied range of books and flash cards to help keep children focused over the summer break. We’re here to support you and your child.
