

Mock Transfer Tests

when a helping hand is all you need

Welcome to the May 2021 Newsletter,

We hope you and your family are safe and well and enjoying a little more freedom as lockdown eases.

With 4 months before the tests, we recommend students start to become familiar with the test format, content, and learn test techniques. Attending Mock tests now, give students the opportunity to gain test awareness and help to identify areas to address whilst there is still time to act. Our Mock Tests are proving very popular, with some events seeing high demand, so please book early. Please see below for details.

Don't forget to register for the SW Herts Consortium tests.

The SW Herts Consortium registration website is now open, so if you want your child to take the tests for Watford schools, please ensure you register before the 18th June.

As per our mantra, we are here to help, if you need support, please get in touch.

Stay Safe

Regards

Gill & Andrew

Mock Transfer Tests

SW Herts Registration Now Open – Don't forget to register by 18th June

As of 12th April, the SW Herts Consortium opened the portal so that parents could register for this years Secondary Transfer Test (11+) in Sept.

Parents wishing their child to take the tests need to visit the SW Herts Consortium website and register.

The website is open. Registration includes options for all the tests, Academic test (VR & Maths) Music and Sport.

Parents should use the following link and read the **"How to register"** document which explains the process.
<http://www.swhertsschools.org.uk/>

Tutoring – Few spaces available

We offer Face to Face Tutoring sessions and online tutoring sessions. Our tutors (all qualified teachers) are hosting both Year 4 and Year 5 classes each week at our centre in Bushey. Few places still available for our Face to Face sessions on Tuesday 3.45 – 4.45pm and Wednesday 3.45 – 4.45 pm. Tuesday & Thursday 5 – 6pm - one space remaining

These are proving to be extremely popular and spaces are limited

If you would like your child to join a class please contact us for details.

Mock Transfer Tests (VR & Maths) - Next MTT 15th May 10.00am – SOLD OUT

Afternoon session just released and filling up fast – 15th May 3.30pm

Now is a good time to sit a mock test. These help expose children to the reality of the test, allows them to make mistakes to learn from, gives experience of working under time pressure and identifies areas to address.

- Welcome and Introduction including some mindfulness techniques to help settle nerves.
- Monitored tests with multiple choice questions and separate answer sheet.
- Written report with scores, ranking provided, emailed within 3 working days.

Mock Music Test – MAT 15th May 1.30pm - Spaces available

For those students wishing to take the SW Herts Music Test, we run a Mock Test that replicates the actual test. This is run by a qualified music teacher, who will offer help and advice. This is the Stage 1 listening test, so students do not need to play an instrument.

Unlike the academic test, with music, students need to learn to focus and concentrate. Attending a mock music test is a great opportunity to practise.

We have been extremely proud of the number of students we have helped be successful in gaining a place at the school of their choice through music.

Limited spaces available, if you would like to book please click on the link

Summer Support

As our thoughts turn to summer, now is the time to check out what we have to offer in way of support throughout July and August. We run a number of different events, all taking place at Queens School.

Summer School

The daily sessions cover both Verbal Reasoning & Maths. Delivered by a qualified teacher, supported by an experienced TA, the sessions are informal with the aim of being flexible to meet the needs of the students attending. Weekly bookings offer a discounted price, saving £25.

Summer Courses

These 2 day summer courses give students the opportunity to refine and improve test techniques with a focus on a specific subject (2 day course for Maths, 2 day course for VR). During each session, students will be taught techniques which they put into practice by sitting practice papers. They will then mark the papers and gain instant feedback with clarification on any errors made. These sessions have proved beneficial to help boost confidence. Each course is different. Discounts offered if you book two or more of these summer courses.

Revision & Preparation

The sessions are aimed at blowing away the summer holiday cobwebs right at the end of the holidays to get your child up to speed and back on track ready for the actual secondary transfer tests in September. These fast pace interactive sessions are bespoke and cover common errors made by the current cohort when sitting MTT VR & Maths tests. They are extremely popular and sell out quickly but each year proves to make a real difference to students' performance when they sit the actual test.

Music Workshop

The aim is to provide assistance with techniques for each section in the Stage 1 test, experience an example test and provide important Stage 2 guidance and preparation. Following the success in 2020 we are continuing this event.

Queens Sports Awareness

Supported by ex-Queens Sports students, these sessions have proved an invaluable insight to how the actual sports test is run. Our very experienced sports leaders offer tips and advice on each of the activities. We are very proud to offer this highly successful awareness session with a proven track record of helping several students gain places at Queens through sports. Please note there are only **two** dates available and numbers are limited.

All available online, please see our website as places are limited. www.mocktransfertest.co.uk.

Online Book store

We have books covering Verbal Reasoning, Maths and Non-Verbal Reasoning. Our range of 10 Minute Test books are ideal for keeping students focused and help to identify areas to develop. Available for delivery or collection in the Watford area.
