MTT Subscription Services

MTT are pleased to offer a subscription service payment option to assist parents in planning the year ahead.

The end-to-end Secondary Transfer process can be overwhelming and appear complex. Building on the services and flexible approach MTT have already established, our aim is to enhance our services giving parents the peace of mind that the year ahead is planned and budgeted for, with a fixed monthly fee.

MTT offer three levels of subscription, Bronze, Silver and Gold. These offer:

- weekly classes, books, follow up emails
- pre-booked events, Mock Tests are pre-booked by MTT throughout the year.
- flexible booking system, transfer bookings if required. (Terms apply)
- fixed monthly fee. Budgeted for the year.
- commitment for the duration of the agreement (end July / August)
- cancel, upgrade, downgrade, change subscription at any time (Terms and conditions apply)
- subscriber benefits, priority bookings, free gifts, etc

Termly Payment Option

MTT realise that committing to a long-term agreement may not be for everyone, parents may wish to select our standard payment plan, committing and paying each term (Variable Per term / monthly in advance) and booking their own events as required. MTT are happy to work with parents and support all options.

Payment

To further support parents, MTT will set up a direct debit mandate to automate the payment process. Parents may also opt to pay via a bank transfer (BACS) or credit / debit card.
