

# Mock Transfer Tests

## Newsletter – Spring Term

Dear Parents and Students

**18th Jan 2021**

Welcome to the MTT Spring Term Newsletter.

This is the first newsletter for 2021, we hope it finds you and your family safe and well.

At a time when everyone is being faced with multiple challenges, we wish to reassure parents that we are here to help you and support your child.

We understand how difficult home-schooling can be, and know that children benefit most from stability, continuity and interaction with other children and teachers. To support parents and students, we are pleased to be able to offer live, fully interactive classes.

Our tutors are DBS approved, fully qualified teachers with experience of running online classes. Classes are limited in numbers so as not to overwhelm children, allowing tutors to engage with all students. Classes cover verbal reasoning and KS2 maths. (maths is inline with the national curriculum)

Classes - As you will appreciate, guidelines are being constantly updated, so to comply, classes will continue to be held online until further notice. We will of course revert to face to face classes as soon as we are permitted.

Our new subscription service is now available. For a fixed monthly fee, we offer 3 levels of subscription, covering classes, books, pre-booked, priority flexible bookings to MTT events, mock tests, and summer revision sessions, along with other benefits. Our Admin team are available to support you. Please contact us for further details.

Over the coming months we will keep parents informed of forthcoming events and news relating to the 11+ / SW Herts tests. In the meantime, please stay safe and well.

Regards

Andrew & Gill

**Mock Transfer Tests**

## MTT Tutoring – Live, Interactive Classes

To help prepare students for the 11+ Secondary Transfer, SW Herts tests we offer tutoring classes covering both verbal reasoning and maths. (KS2 maths)

Classes are conducted using ZOOM, offering live, fully interactive lessons. Students are provided with a Starter Pack consisting of everything they need, books, stationery, etc.

MTT offer support to ensure everyone can access these classes.

## Online Support for all – new KS2 English Classes

Whilst our classes are primarily aimed at secondary transfer exams and our standard classes will help with Maths, we are now pleased to be able to offer additional support for KS2 English (not VR)

If you would like to know more, please get in touch.

## MTT Subscription Service

In response to parents requests we have introduced a subscription service. These offer a range of options, Bronze, Silver, Gold. Our aim is to help simplify the process, offer flexible pre-booked mock tests, exam paper reviews, revision and all books and other material students require.

Example: Gold – Tutoring, Books, Revision portal, Pre-booked Mock tests, Free flexible bookings, Summer revision sessions for £117.50 a month, saving over £ 100 over the year.

Our aim is to offer an inclusive service, offering priority bookings, reducing the stress of booking events, flexible event booking transfers, provide books and other resources throughout the year, for a fixed monthly fee. (Terms and conditions apply)

## MTT Events

All events are available to book online via our website. MTT are monitoring the current guidelines and in discussion with Queens school (venue) with regards to running events live.

We are pleased to confirm however that over the lockdown period we have perfected our Online Mock Tests for VR & Maths as well as Mock Music Tests. These are timed events with full multiple-choice questions and answers, giving children a good understanding and grounding in a test experience.

Online tests are marked, and a report issued to parents, consistent with live events.

## First event

We recommend the sooner children are exposed to a test, the better. These events help children understand why they are being tutored as well as making them aware of the format and content. Our first events are:

**Test Awareness – VR & Maths – Mon 15<sup>th</sup> Feb 10am – 12.00**

**Test Awareness – Music SW Herts Stage 1 – Mon 15<sup>th</sup> Feb 1.30pm – 2.30pm**

Note: To comply with Govt guidelines, currently these events will take place online. Subject to change if permitted.
