

Mock Transfer Tests

when a helping hand is all you need

Welcome to the June 2025 Newsletter

With less than 3 months before the secondary transfer tests we understand the pressure on students but also the whole family.

We would like to reassure you that MTT are here to help. We have a great schedule of summer events to support all students. We have summer school at Queens school, Monday to Friday, Summer courses to help with test techniques, and full range of mock tests covering VR & Maths, Music and Sports and our highly popular Revision & Preparation week giving students a major boost just before the actual exams.

To help students prepare, we recommend they become familiar with the test format, content, and learn test techniques. Attending Mock tests now, give students the opportunity to gain test awareness and help to identify areas to address whilst there is still time to act.

Please remember taking a test is not just about ability, it's about the test environment too. Our Mock Tests are proving very popular, with some events seeing high demand, so please book early. See below for details.

Year 5 parents who registered with the SW Herts Consortium for this years test in Sept, you will find out which school your child has been allocated to take the test, this Friday 27th June.

As per our mantra, we are here to help, if you need support, please get in touch.

Regards

Gill & Andrew

Mock Transfer Tests

MTT June Top Tip: don't lose points for poor marks....make sure you mark the answer sheet correctly, points can be lost for poor, faint, wiggly lines. Practise to get it right.

Mock Transfer Tests VR & Maths - £ 62..50 (3 is the magic number. book 3 or more get 10% off)

Exam hall experience at Queens' school, the following dates are available before the summer holidays.

MTT 5th July 10.00am – MTT 12th July 10.00am plus August dates

Now is a good time to sit a mock test so that over the summer holidays you know what to refine and improve. These help expose children to the reality of the test, allows them to make mistakes to learn from, gives experience of working under timed pressure and identifies areas to address.

To overcome nerves and anxiety of sitting a test, in our experience to get the most benefit, we recommend children attend 3 mock tests. **The sooner they attend the better so please don't leave it too late. If you wait it will be too late.**

Mock Music Test –£34.50 Queens school, main hall with full exam conditions & surround sound.

Exam hall experience at Queens' school, the following dates are available before the summer holidays.

MAT 12th July 1.30pm – plus August dates

For those students wishing to take the SW Herts Music Test, we run a Mock Music Test that replicates the actual test. This is the Stage 1 listening test, so students do not need to play an instrument.

Unlike the academic test, with music, students need to learn to focus and concentrate. Attending a mock music test in an exam hall is a great opportunity to practise.

We are extremely proud of the number of students we have helped to be successful in gaining a place at the school of their choice through music.

Queens Sports Awareness – £32.50

15th August 10am –Almost sold out, waiting list available.

Supported by Queens Sports students, these sessions have proved an invaluable insight to how the actual sports test is run. Our experienced sports leaders offer tips and advice on each of the activities. We are very proud to offer this highly successful awareness session with a proven track record of helping several students gain places at Queens through sports.

Limited spaces available, click on the link to book: <https://bookwhen.com/mocktransfer>

Summer Support – Queens' School 21st July – 15th Aug

As our thoughts turn to summer, now is the time to check out what we have to offer throughout July and August. We run a number of different events, all taking place at Queens School.

Summer School – Tutoring

The daily sessions cover both Verbal Reasoning & Maths. Delivered by a qualified, highly experienced teacher, supported by an experienced TA, the sessions are informal with the aim of being flexible to meet the needs of the students attending.

Summer Courses (Test technique – how to gain points. VR & Maths Courses – each one is different)

These 2-day summer courses give students the opportunity to refine and improve test techniques with a focus on a specific subject (2-day course for Maths, 2-day course for VR). During each session, students will be taught techniques which they put into practice by sitting practice papers.

They will then mark the papers and gain instant feedback with clarification on any errors made. These sessions have proved beneficial to help boost confidence. Each course is different. Discounts offered if you book two or more of these summer courses.

Revision & Preparation – 18th Aug – 21st Aug.

The sessions are aimed at blowing away the summer holiday cobwebs right at the end of the holidays to get your child up to speed and back on track ready for the actual secondary transfer tests in September. These fast pace interactive sessions are bespoke and cover common errors made by the current cohort when sitting MTT VR & Maths tests. They are extremely popular and sell out quickly, but each year proves to make a real difference to students' performance when they sit the actual test.

Highly recommended, gives a boost a week before the actual test. Tips, advice, and technique to gain points.
