

MTT Newsletter Oct 2022

Dear Parents and students

Welcome to the MTT Oct Newsletter.

We hope you are all looking forward to half-term.

We wanted to write to remind those with Year 6 children that our strapline is, “when a helping hand is all you need” and our motto is to support parents and students throughout the secondary transfer process. The results of the SW Herts Consortium Tests are due out on 19th October. If you need any support then please give us a call.

Also remember the deadline to submit your school application is the 31st October.

We are pleased to advise those with children in Year 4 and Year 5 that our classes are now running along with some After School clubs, so if you are considering classes, please let us know.

We hope this newsletter is useful, please feel free to email any questions.

Regards

Gill & Andrew

Mock Transfer Tests

Year 6 - School Application – Deadline 31st Oct.

After all the arduous work and preparation, you now need to select and apply to the schools you wish to be considered for. School websites have their historic results as a guide, these are not pass / fail, they are there as a guide.

The schools are not aware of the order you rank the schools, so please don't worry, select the schools you wish to apply for. Please note that on March 1st, if you don't get your first choice you will be placed on to the continued interest list, and as places are accepted or rejected this means further places become available.

You will need to apply in the Herts County Council website (or where you pay your council tax if outside Herts) You may also need to fill in a Supplementary Information Form (SIF) for each school you are applying to. Please check the school's website for up to date information.

The national school allocations day is March 1st.
