

MTT Newsletter Dec 2021

Dear Parents and students

Welcome to the MTT December Newsletter.

Seasons greetings, we hope you have all had a good Autumn term and looking forward to spending time with family over this festive break.

We've been faced with a challenging year, but we have been pleased to be able to run the Year 4 & Year 5 classes face to face, including some of our After School clubs. Demand for these classes is high, but spaces are still available. It's good to be back in the classroom.

This year we have introduced a new "Extended class" at Queens' secondary school, offering a slightly longer lesson (1.5hours) to help students and making it easier for parents to drop off / pick up.

Our very successful "Accelerated class" (Advanced) started after half term for those students who are working at a higher level. If you would like more details please get in touch.

Our Events for 2022 are available to view on our website so please book early to avoid disappointment. We are seeing a lot of interest with some events are already sold out.

We hope this newsletter is useful, please feel free to email any questions. Please may we wish you and your family a Merry Christmas, and safe, healthy new year.

Regards

Gill & Andrew
