# 20. – 21.10.2018

## DAKG & EurOK Congress Germany 2018

We are pleased to invite you to attend the **DAKG & EurOK Congress** which will take place October 20 - 21, 2018 in Hamburg.

DAKG & EurOK will organize their first common international congress devoted to Myopia management for ophthalmologists, opticians and optometrists. This educational Congress will focus on orthokeratology, pharmacological therapy and Myopia prevention and will present all significant advances in scientific research and their concrete practical applications.

Topics will also include the current management of myopia related to children, dry-eye management, morphology and pathology as well as marketing aspects and communication, especially with parents and children.

We are proud to announce speakers from Germany, Switzerland, Austria, USA as well as Great Britain, Italy, Russia and Turkey. The entire congress will be simultaneously translated in German/English. The congress aims to share real case experiences and opinions of leading local and international experts.

We invite you to participate in the 1st DAKG - EurOK Congress Germany 2018 Congress in Hamburg!

Sincerely Yours,

**Dr. Gudrun Bischoff**

DAKG President - German Contact Lens Society

**Marino Formenti, O.D., FIAO**

EurOK President
