### 1ST DAY 197 km Lorca-Guadix

We will leave from Lorca, following the Puerto Lumbrera's Enduro World Championship track and will continue riding in a combination of canyons and single tracks to Cullar (Granada). From there we will follow the Spanish enduro Championship track that will lead us to the beautiful canyons and technical single tracks sections – taking turns between stony rivers and enjoyable sand tracks to Guadix (prehistoric Troglodyte city). At Guadix we will accommodate ourselves at the typical local cave house.

### 2ND DAY 264 km Guadix-La Bobadilla

We leave the Guadix behind following the track of the famous Granada Enduro Six Days -route, towards to the Park of Sierra Nevada Mountains, where we will enjoy beautiful single tracks descending down hill from an altitude of almost 2,000 meters. At the end of the day we'll reach the Hotel La Bobadilla (selected as the most luxury Spanish hotel at year 2011).

### 3RD DAY 252 km La Bobadilla-Fuengirola

After a high-class breakfast we leave forward to the nice single track towards Archidona from where we will continue to technical and steep climbs and downhill at the forest (part of Andalusian enduro championship-route). We'll ascend to Los Montes de Malaga by a beautiful winding path, then go down to beautiful and narrow canyons, following river full of water down to Fuengirola.
