

# Care & Learning

Lead by qualified teachers, focused on each child's holistic needs

**Hipperholme & Lightcliffe  
Day Nurseries Limited**

*Taking care of the future*

[www.HLC.co](http://www.HLC.co)

**17 years experience of excellent care, education and nursery provision**

We teach children about the world around them. We spark children's interest. We provide individual support and targeted interventions so children develop their curiosity and imagination.

We ensure children are highly engaged in their learning, through play, and are supported by knowledgeable staff. Staff model language and are sensitive to children's needs.

**We can offer FREE 15 & 30 hr places for children from 9 months old**

Good  
Provider

**SEND** The staff team are skilled at meeting the needs of children with special education needs. Children with SEND make progress alongside their peers. We work well with Calderdale agencies to provide further expertise where it is needed.

**PARENTS** Our parents praise the support we provide for their children and we help parents to support their children at home.

**SAFEGUARDING** Children are kept safe through robust risk assessment and continuous training for our team. Millie Mark was awarded in 2017 and demonstrates our commitment to keeping children safe.

**EARLY YEARS FOUNDATION STAGE**  
We have an ambitious curriculum that builds on what children already know and understand. We model good manners and help children develop their self-regulation and empathy. We listen to children.

**WRAP AROUND CARE** Before and after school clubs are available for children once they transition from nursery to primary school. Children are transported to and from school by minibus to ensure their safety. The clubs are about young school children making friends, strengthening relationships in a familiar environment with staff they know and trust and in many cases who have cared for those children from birth.

**WRAP AROUND CARE**  
Breakfast Club from 7.30am  
After School Club until 6.30pm

**PREPARING FOR SCHOOL** We help develop their confidence and self-esteem from a very young age. We help children to develop their emotional well-being. This ensures children are ready for the next stage in their learning.
