SHINE ON

WE SPARKLE WHEN YOU
SHINE

Think of a lip gloss on the lips – this is exactly the same, but for hair!

Glosses are the perfect solution to give that cosmetic finish. Semi permanent shine coats the hair, smoothing out the texture and giving each strand a uniform shape. This treatment works by allowing light to reflect off the hair and offers glossy, shiny and vibrant hair.

Using our Goldwell colourance range .

Features: Each add on treatment includes 3 steps!

Step 1: Prepare, Step 2: Cleanse, Step 3: Care

All aboard the HOT MESS EXPRESS

PRESSED FOR TIME? NO STRESS WE GOT THIS!

Express 5 minute treatments are perfect if you are short on time.

We will prescribe and apply one of the '60 seconds' treatments that instantly restore any damaged hair structure from deep inside and rebuilds the hair fibre, leaving your hair feeling softer and shinier. This service is tailored to specific needs. We will cleanse your hair twice before applying the conditioning treatment chosen for you. Followed by a head massage and heated towel .

Available: repair & moisturise,
smoothing, anti brassy, bond building
and colour care.

who's THIRSTY?

ARE YOU LOOKING FOR SOME SERIOUS HYDRATION?

One of the best hair treatment options on the market for those seeking to deep condition their hair.

This treatment works by reconnecting broken bonds in the hair caused by chemical, thermal and mechanical damage. This treatment can help repair and protect the hair from further damage, resulting in healthier and stronger hair.

Features: Bond pro shampoo, bond pro step 1 & 2 and bond pro 60 sec treatment.
