BIRTHDAY PARTIES

Why not consider having a gymnastics birthday party for your child. It is something different for your child and their friends to enjoy. Those who have had parties have all given positive feedback and without exception would recommend us to friends and family. The parties are suitable for members and none members and are provided at a very competitive price. Please see our separate fliers for details.

FULLY BOOKED UNTIL MARCH 2024! TAKING BOOKINGS UPTO DECEMBER 2024! Please book at least 6 months in advance to secure your date!

CAR PARK/PICK UPS

IT IS EXTREMELY IMPORTANT THAT YOU OBSERVE THE ONE-WAY SYSTEM IN THE CAR PARK.

Could you please ensure you keep your children close to you when you are in the car park. Please **DO NOT** drop your children off at the door in your car. This causes a bottle neck out on to the road with residents becoming irritated with us! Please do not reverse into the entrance, again this is extremely dangerous.

Please DO NOT arrive any more than 5 minutes before your session time. You need to wait in your car until we open the door. Please ensure you stay in your car on pick up. A coach will be at the door watching the gymnast to their car.

We understand the car park is a lot busier now. Your cooperation in handing your gymnasts back is appreciated. The rules/instructions/requests are there to protect your children. Whilst the wait/queue can be frustrating we do not appreciate and what is more, will not tolerate abuse of our staff or other parents. If this occurs you may be asked to leave the club, the only people missing out will then be your children.

SHORTS

Please ensure your child has plain black shorts for training sessions. These do not have to be anything special. Nike shorts are acceptable providing they are black. Alternatively, the velour hipster type shorts can be purchased from Milano. www.milano-pro-sport.com. Please ensure your gymnast wears they shorts over the top of their leotards.

If you need any help or advice please ask one of the coaches. It is perfectly acceptable to have diamantes/initials on the shorts.

HAIR

Could you please make sure your child/children's hair is tied up above their shoulders before they come to gym. There is a very real risk of injury if children tread on their hair whilst doing gymnastics or get it caught in equipment. You **MUST** tie your child's hair up before dropping them off. We have, in the past, provided bobbles for children who do not have one with them and appreciate that there may be a genuine time when this is required but we will not be able to provide hair bobbles from September onwards.

INJURIES

It is extremely important that any injuries which happen at gym are reported to one of the coaches, preferably by the gymnast at the time, failing this, by the parent via a text, phone call or email as soon as the injury is identified. As a club we have procedures to follow with regards to reporting of accidents but more importantly we need to know of any injuries which may need to be taken into account going forwards.

REGISTRATION DETAILS

Please ensure you keep your coacha account up to date with the correct details. It is extremely important that we have the right contact details for you. You must also change your details on BG. This is VERY important as we communicate mainly via email and Facebook. All emails are taken from the email you registered with BG.

If gymnasts have just had their ears pierced and they cannot take them out for several weeks then parents must please be aware that this will invalidate their insurance for this period.

If your child's ear-rings need to be taped up please ensure that this is done BEFORE they enter the gym and again, please be aware that this will invalidate your insurance.
