Part No: CHEM0035

# Pickling Paste

## Pickling Paste - 4120 T

Pickling Paste Turbo - 2kg  
Part No: CHEM0020

### Product Description

- Paste Type:** Pickling Paste Turbo for Descaling Pickling Effects, Short Pickling Times and Highly Brilliant Surfaces.
- Description:** Pasty Mixture of Hydrogen Fluoride (Hydrogen Acid), Hydrogen Nitrate (Nitric Acid) and Their Salts.
- Intended Use:** Pickling of Stainless Steel Welding Seams.
- Suitable For:** Welding Seams and Other Heat-Effectuated Zones on Stainless Steel.
- Handling Methods:** Pickling Brush (Acid Resistant)
- Advantages:** Time Saving (Pickling Time Less Than 10 mins Possible)
- Packing Sizes:** Plastic Tub (2kg – 4 Tubs in one Cardboard Box)

## Pickling Paste Brushes

Pickling Paste Straight Brush  
Part No: CHEM0025

Pickling Paste Angled Brush 1"  
Part No: CHEM0030

Pickling Paste Angled Brush 2"  
Part No: CHEM0031

# Pickling Liquids

## ANTOX 71E Pickling Paste

◀ For removal of iron contamination and the removal of the heat affected zone.

Part No: CHEM0050    ANTOX 71E Pickling Liquid – 2kg

## ANTOX 75E Liquid

◀ Degreases, cleans & removes iron (Fe) contamination.

Part No: CHEM0051    ANTOX 75E Liquid – 5kg

## ANTOX 90E Liquid

◀ Quickly replaces the protective chromium oxide layer on stainless steel surface.

Part No: CHEM0052    ANTOX 90E Liquid – 5kg

## ANTOX NP Neutralising Paste

◀ ANTOX NP is used to neutralise pickling paste that contain hydrofluoric and nitric acid.

Part No: CHEM0053    ANTOX NP – 2kg

# Flux Powder

**Brazing Flux Powder**  
**500g**  
**(Brazing Of Steel)**  
**Part No: CHEM0001**

**Aluminium Brazing Flux Powder**  
**500g**  
**(Aluminium Brazing)**  
**Part No: CHEM0005**

**Aluminium Welding Flux Powder**  
**500g**  
**(Aluminium Gas Welding)**  
**Part No: CHEM0006**

**Silver Solder Flux Powder**  
**250g**  
**(Silver Brazing)**  
**Part No: CHEM0010**

**Silver Solder Flux Powder**  
**500g**  
**(Silver Brazing)**  
**Part No: CHEM0011**

**Stainless Steel Flux Powder**  
**250g**  
**(Stainless Steel Brazing)**  
**Part No: CHEM0015**
