

Westgate Ark Vet Fund

**Sometimes we all need
a little help from our friends!**

The Westgate Ark Vet Fund is run by volunteers and provides veterinary treatment for stray and abandoned cats rescued by the Ark.

Often a simple operation, or bit of veterinary help, can relieve the suffering of a rescued cat and allow us to put the cat up for homing. Once found a loving home, a distressed cat will have a new chance of happiness in life.

We receive no state funding and rely solely on our own efforts, and the support of our friends, to continue with our vital work.

Making a small but regular payment is the easiest and most effective way to give cats like this, the chance of health and happiness.

Our Cat Homing Centre is open for homing every day and large numbers of cats are given a new start in life every year.

Please help us to continue providing this valuable service to the cats we rescue!
