

B. Ahlers & Sohn GmbH

About us:

We herewith introduce our company B. Ahlers & Sohn GmbH as an international business organisation based in Germany. Our company was started as B. Ahlers & Sohn since 1932 in Germany and gradually expanded its operations to the entire Europe region countries like France, Italy, Portugal, Spain, Poland etc...

Initially we have been in trading in Textile products like different types of Yarns for the European weaving and knitting industry. Now we are dealing with global sourcing of textile raw material and in different types of speciality yarn and fabrics for the requirement of European Textile industry.

Commitment and Quality are our business
