# Colleges/Centres running AMSPAR / City & Guilds courses

On 1<sup>st</sup> September 2008, AMSPAR collaborated with City & Guilds, who are now responsible for the administration of AMSPAR NQF / CQF awards.

The following list shows colleges and centres who have been approved to run AMSPAR / City & Guilds qualifications. When enquiring, ask for the **College / Centre Prospectus** giving **specific** details on **AMSPAR / City & Guild courses** being offered for the current session.

**Although the centres may have approval to deliver AMSPAR courses, they may not be offering the course during this academic year.**

For details on **fees** and **times** of courses, please contact the college / centre of your choice.

## Medical Terminology Centres

### Level 2 Award in Medical Terminology (5519-12)

### Level 3 Certificate in Medical Terminology (5519-13)

The following list shows colleges / centres who have been approved to run AMSPAR / City & Guilds courses in **Medical Terminology**. When enquiring, ask for the **College / Centre Prospectus** giving **specific** details on **AMSPAR / City & Guild courses** being offered for the current session.

**Although the centres may have approval to deliver AMSPAR courses, they may not be offering the course during this academic year.**

**For details on fees and times of courses, please contact the college / centre of your choice.**

Arrangements are in place for candidates taking the Award in Medical Terminology (Level 2) and the Certificate in Medical Terminology (Level 3).

There are three options:

Candidates can either enrol for a **1tutor-led** or **2on-line** course with a City & Guilds approved centre. Register for the course on an **2on-line** or **3self-study** basis through \*AMSPAR.

Those going through a tutor-led or on-line centre will have their registrations, entries and examinations handled by the approved centre.

\*AMSPAR will do the same for their on-line and self-study students – **depending on your location**. AMSPAR normally organises 2 National Examination Centres (NEC) for each sitting, but as an on-line or self-study candidate, you must be able to come into Central London or the other examination centre which rotates around the UK e.g. Level 3 - Central London and Cambridge Tuesday 11<sup>th</sup> June 2019.

# Level 5 Diploma in Primary Care & Health Management (DPCHM)

The following list shows colleges / centres who have been approved to run AMSPAR / City & Guilds courses in **Primary Care & Health Management**, however, some colleges may not currently be offering this qualification. Some centres are offering the DPCHM on-line or as a part-distance learning course.

When enquiring, ask for the college / centre prospectus giving specific details on AMSPAR courses being offered for the current session.

**Although the centres may have approval to deliver AMSPAR courses, they may not be offering the course during this academic year.**

For details on fees and times of courses, please contact the college / centre of your choice.
