## **AMSPAR**

### **“Future Leaders Programme”**

The **AMSPAR** future leaders programme has been developed to encourage those working in the NHS to be able to have the opportunity to engage with lifelong learning and to achieve professional membership. Each year **AMSPAR** will offer its own annual scholarship. The award of the scholarship is by application and is restricted to those candidates that meet the qualifying criteria.

Those individuals that are awarded a scholarship will need to have the support of their employer and commit to undertaking and completing their studies. Normal course costs are waived as **AMSPAR** will provide a full bursary to cover these fees. The successful candidate will only have to pay a small administration fee to cover statutory course costs such as registration and examination fees.

**AMSPAR** is now accepting applications for the 2020 scholarships. Applications need to be completed by 31<sup>st</sup> July 2020. Successful applicants will commence their studies from September 2020.

The length of time of study will vary depending on the scholarship applied for.

## **Certificate in Primary Care and Health Management**

This scholarship is for anyone that is not yet a practice manager and is aspiring to become a PM in the future. Applicants can be assistant practice managers or administrators currently working in general practice. Applicants must have a minimum of 2 years work experience. This scholarship is at Level 5 which is equivalent to foundation degree level.
