

Off The Cuff

Episode 1

Boriska Kipriyanovich the boy from Mars

This was a live videocast involving the public but now includes some footage of the topics that we discussed.

The video clips included and discussed off the cuff are as follows...

- Case File 1012 - EVP recording of screams and begging to “help her” (quite chilling)
- Archived footage from a castle in Perthshire - An apparition/anomaly was recorded on a locked off camera
- Archived footage from the Blair Street Vaults in Edinburgh - Demonstrating a potential intelligence as it sets off the EMF meter several times on request. We believed this to have been the spirit of a young boy at the time
- Archived footage from a hotel in Drymen - EVP recording counting “1 to 10” then a laugh
- Archived footage from a hotel in Drymen - EVP recording “Ugly bastard” as we attempt to demonstrate an intelligence by asking the spirit to repeat some words after us. He appears to comment on the name Buchanan

This videocast also covers the following topics off the cuff...

- Boriska Kipriyanovich the boy from Mars
- The Sphinx
- Pyramids around the world
- Ancient aliens
- Skull binding
- Past lives and reincarnation
- The missing link in evolution
- EVP's
- Apparitions
- Dimensions
- Spiritual interaction
- Evil
