**RML BEREAVEMENT PROJECT**

**SUPPORTING BEREAVED ADULTS THROUGH MUSIC**

- My name is Jackie Flynn. I am a member of RML. It is based in Ilford Essex and is also open to adults from adjoining boroughs.
- It provides weekly live music sessions every Wednesday and Thursday where an adult can come to sing or play an instrument. More details and our location is on our website [www.rmluk.org](http://www.rmluk.org)
- I am taking forward the idea of having a meeting specifically for adults who are bereaved who would be interested in singing or playing an instrument at our RML sessions.
- I can arrange for you to come to one of our Thursday sessions where you will be able to see the session for yourself and be able to find out more about RML. I will be available to answer any questions or queries you may have. **Please contact me before attending the Thursday session.**
- My aim on behalf of RML is to provide a meeting (e.g. monthly or quarterly) for bereaved adults. I would like to start with a pilot meeting free of charge and continue with regular meetings thereafter.
- I know personally how much singing has helped me as I lost several family members in recent years.
- Singing can help adults experiencing grief to adapt to loss, manage thoughts and emotions and give motivation. Playing an instrument can help by challenging their mind and connecting them with others.
- Please feel free to contact me if you require any further information.
