

Brockham Community Hall, Wheelers Lane, Brockham Surrey RH3 7LG

Forest School

At Brockham Green Nursery we have always placed a high importance on outdoor learning especially given the Natural and Rich environment we are based in.

As of September 2020, we are extending this approach by introducing Forest School learning for children attending on Wednesday morning and all-day Friday. The sessions will be led by our qualified Forest School leaders who will plan the activities that will scaffold the children's learning and play and be supported by the remaining nursery staff. This will enable our children to build on their experiences and develop their self-esteem while exploring the natural world.

Our Forest School learning will mainly take place at our Forest School site at North Downs School but from time to time we will be exploring the environment we live in.

On Forest school days the children will need to make sure they are suitably dressed please see Forest School Clothing list everything else will be covered by Forest School including, snacks, drinks and lunch.

Forest School will allow all our children to explore and experience the outdoor Natural world.

By signing this form, you will give consent and support for your child to attend Forest School
