**The Third Devon Run 27<sup>th</sup> June 2026**

Open to all pre 1985 Classic Cars and Motorcycles (newer interesting cars/bikes at the discretion of the organisers, numbers permitting), the event is designed to be a fun day out in the beautiful Devon countryside in the company of fellow classic car & bike enthusiasts. The route is approximately 100 miles in total and is split into morning and afternoon sections with the first half being more leisurely traversing Dartmoor and the second half encompassing a faster paced route through west and mid Devon. The route is easy to follow and all entrants will be given a route guide and may choose to complete the full distance or reduce sections if they wish.

All proceeds raised by this event will be donated to the Great Escape Memorial Foundation, registered UK charity no.1217108. The charity seeks to establish a permanent memorial in the UK to the world renowned Great Escape from Stalag Luft 3 POW camp in March 1944 by 76 RAF officers, the largest POW prison breakout to take place during the second world war and honoured today as an extraordinary symbol of defiance against overwhelming odds, bravery and ingenuity. The charity seeks to redress the lack of any memorial to the Great Escape in this country and has the full support of all the families of Great Escapers who have been contacted throughout the world.
