

Made to Measure Bespoke Custom Crystal And Murano Glass Chandeliers

We are committed to delivering fast Custom design Chandeliers and visualisation solutions to a broad range of architectural and interior projects. From bars and nightclubs to restaurants and hotels, retail outlets, corporate facilities and high-end residential projects, our designers create visually stunning, highly functional and cost effective spaces.

We Are specialised in Custom, made to measure and bespoke Chandeliers lighting.

We are able to produce a chandelier simply from a sketch and our motto is "You Vision It, We Will Make it" .

We can design lighting to any size, colour or specification to meet you individual design concepts.

All our products are designed and produced with the clients brief and budget in mind. Once initial plans are approved by the client, we aim to dispatch quickly and efficiently, to meet all deadlines provided.
